DEDICATION

Throughout our High School days, made up of happiness and sorrow, of success and failure, of smiles and tears, of friendships won and friendships lost, linger the memory of a teacher who has helped us cross the hazards and who inspired us to greater heights. It is to her, Anna S. Elam, jolly, understanding, and sympathetic, that this issue of our annual is dedicated.

GRADUATING SENIORS

In education today we hear a great deal about integration. The educator means by integration a bringing together into a unified whole those things which have a true relationship. I think we can have no finer goal for our whole school life than that of integration. Integration means a oneness. It means harmony. It means that one does not say one thing and do another; that the physical, the moral, and the spiritual all come together to strengthen one another and to make a strong personality. One could not have a finer ideal than that in his own heart and life he reach this oneness which makes for peace, serenity, and effectiveness. You are each now building this personality of yours. I hope as the years go by that each one of you will become more closely integrated and that strength, serenity, and firmness of purpose may characterize your lives.

As your principal I with deep interest have followed you in your work in the high school. Naturally, it has not been my privilege to know each one of you as well as I would wish. The outside problems with which a principal must deal often denies him the real privilege of knowing intimately many of his students. It is my deep regret that I cannot have a personal friendship with each one of the students in our high school, for I prize deeply those student friendships which I have made. These friendships, however, I take as a symbol of the friendship that I have in my heart for each one of you. I want you, as you go out from this school, to realize that the very fact you have been students in Glendale High makes you close to me. Will you not carry the thought with you that if at any time, anywhere, I can help you that you will feel free to call on me as you would on a true friend?

GEORGE MOYSE

*Boys:

"An avalanche, a concentration, a superfluity, a redundancy, a profusion, an exuberance, an inundation, a surfeit of words," as G. Stern would say, is what I got when I asked the editor of the Stylus the theme of the book. "A most lofty theme . . . the stars, sky, sun, moon, planets, constellation, etc., etc.," was his answer. And so it is not a matter of putting my thoughts into words, but the much harder one of putting words into thoughts in my message to the graduating class.

Into what thought then can I put these lofty words with which your editor supplied me? The thought into which they form themselves for me is this: The theme of your book is symbolical of the attitude of mind today—no limit is set to our thinking. The old, well-worn, trite and familiar things of the earth are not enough. The mind is eagerly reaching out to play with new possibilities. I doubt if this generation thinks even the sky is the limit. There is something gallant in this dauntless, infinite attitude of inquiry.

For you graduating seniors, I am hoping that your thoughts may be hitched way up there, where the theme of your book is. And never forget that when bothered and distressed with the worries of this world, the most refreshing thing one can do is to take a star bath.

ETHEL HUME FLOOD MOYSE

In working with members of the Student Body and Faculty, this year, at Glendale High School, I have often been impressed with the spirit of friendliness and the friendships which exist in the group. I would encourage this.

Without friends life would be practically intolerable. With friends we have pleasure and enjoyment. They help us in business; through their patience and willingness to teach we learn. They are an intimate part of everything we do in life; loyalty and understanding are their watchwords.

A distinction should be made between friendliness and true friendship; both have to be cultivated. It is not often that they just grow. In order to attract friends one must be friendly and cultivate the qualities of friendship—loyalty, trustworthiness, honesty, genuineness, tolerance, sincerity, even temper, faithfulness, and ability to keep confidences.

The best way to attract friends is through character. It begets confidence. We follow the guidance of men of predominant character. Their influence is immeasurable. Who can gauge the number of friends, the influence of a single outstanding boy or girl in school? Who can measure the power for good of men and women of character in the community?

"But strew his ashes to the wind
Whose sword or voice has served mankind—
And is he dead, whose glorious mind
Lifts thine on high?
To live in hearts we leave behind
Is not to die."

THE R. O. T. C.

The Fall of 1935 ushered in a new and promising institution at Glendale—the R.O.T.C. Under the capable instruction of the P.M.S. & T., Major Berg, the local cadets advanced greatly in both size and ability.

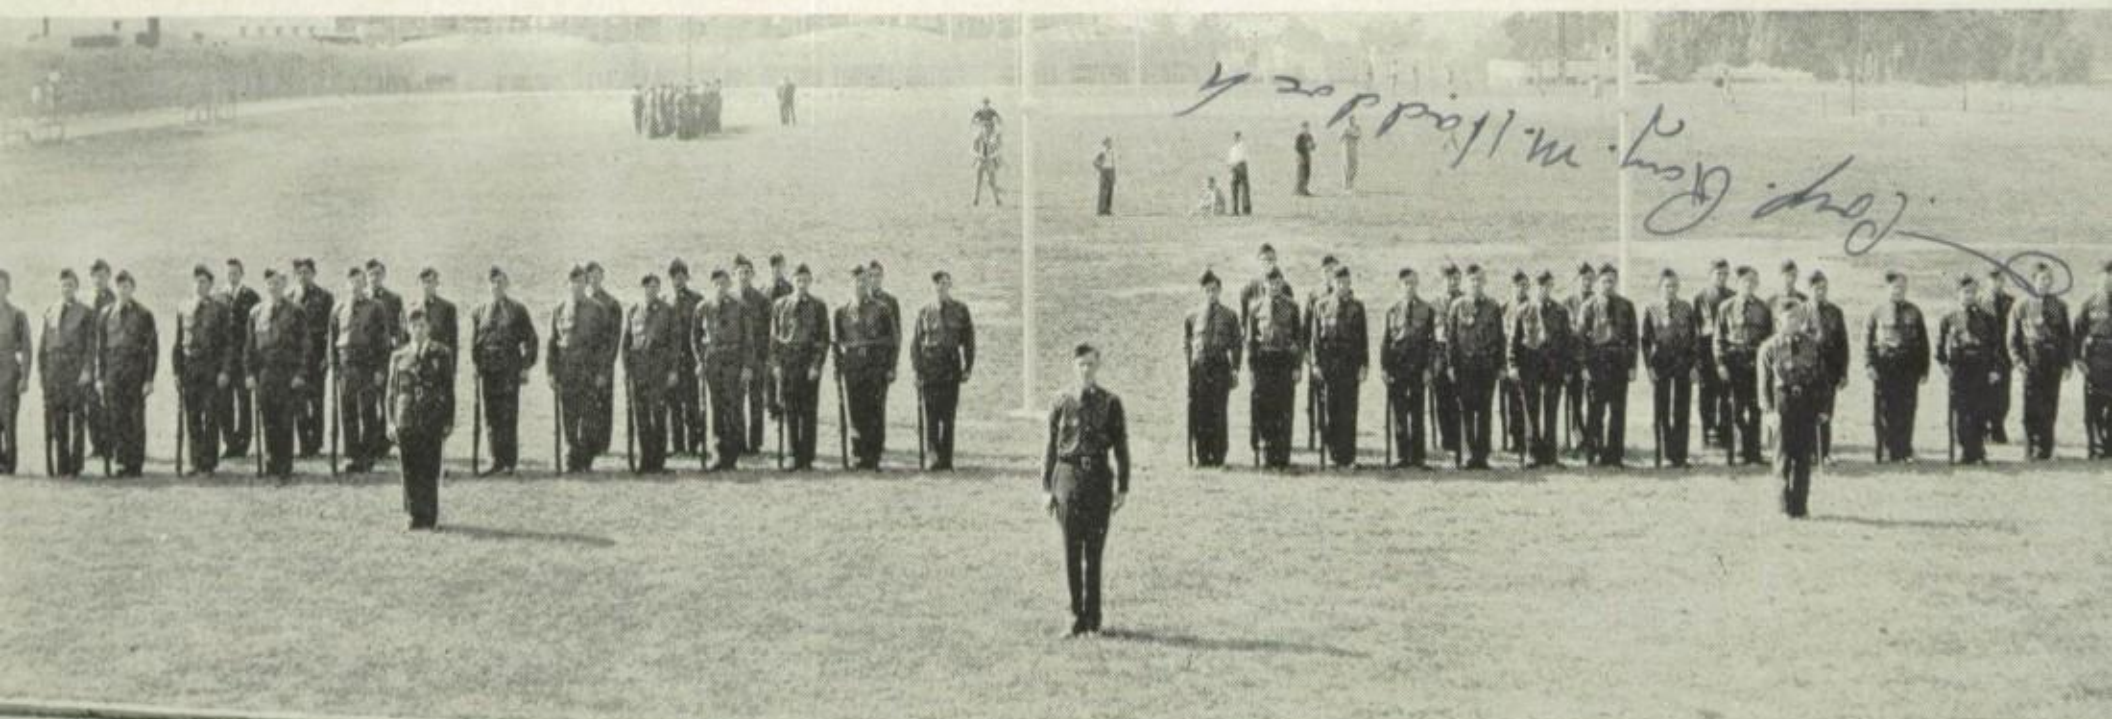

The Government Inspection, on May 5, was the season's highlight. The entire student body turned out to watch the boys review for the inspector, Major D. R. Norris of U.C.L.A.

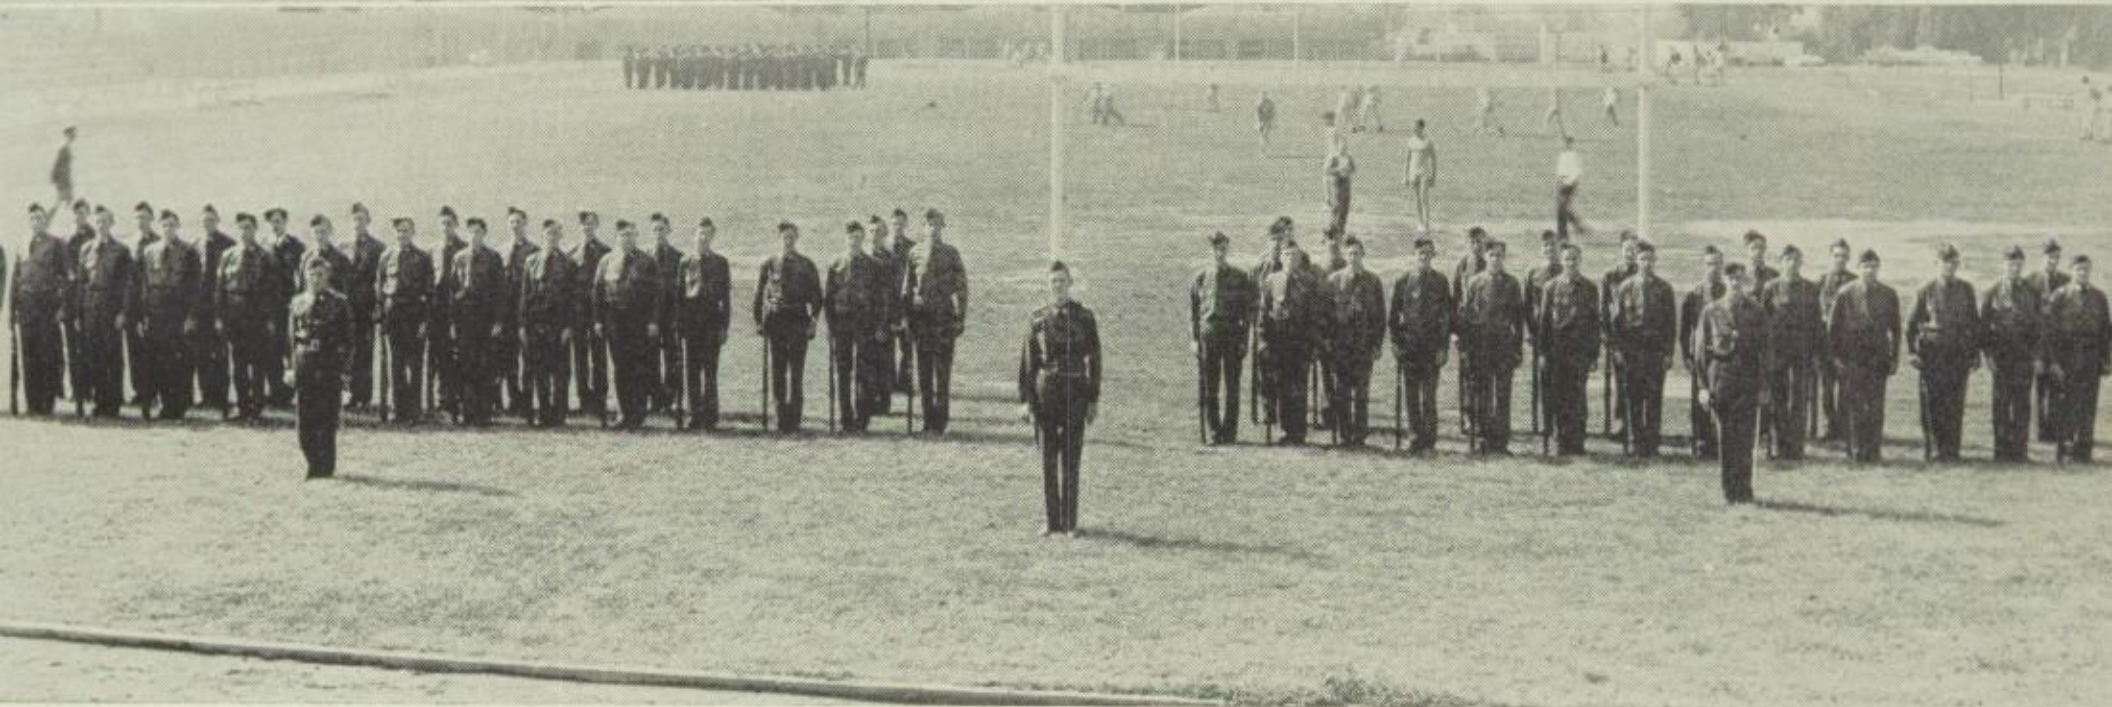

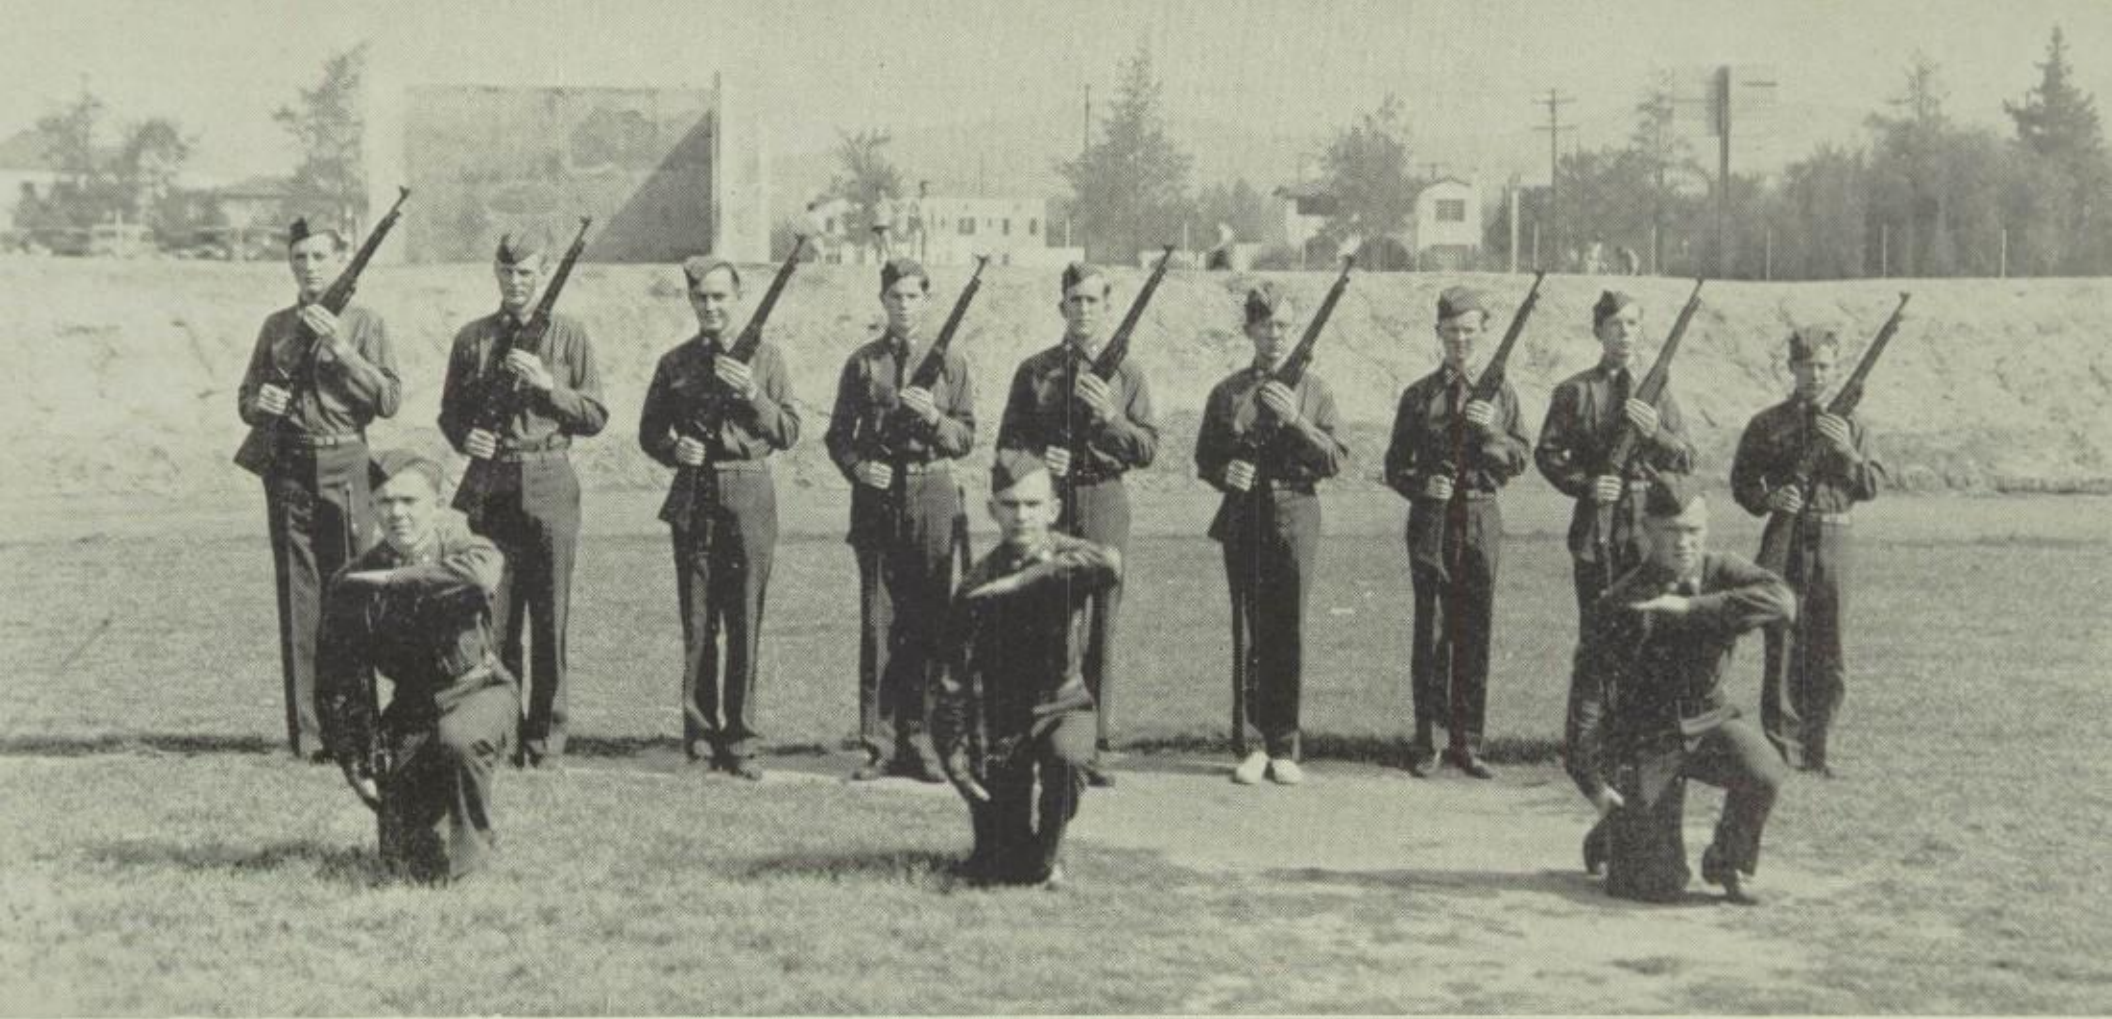

The first annual combined Military Ball with Hoover Hi's R.O.T.C. unit was held in Hoover's Girls' Gym and was well attended. The theme was that of a Post-War Parisian Cafe, and Cal Cannon's music provided the background.

The IX Corps Area Competition Rifle Team, composed of Loomis, Packard, Rudie, Proctor, Stewart, Weide, Harris, Entrekin, Bottum, Thompson, Ostler, Rettberg, and Little, had a successful season, with a victory over Hoover as the high spot.

In the national match for the prized Hearst Trophy, the Red and Black team not only beat Hoover decisively but galloped through to sixteenth place.

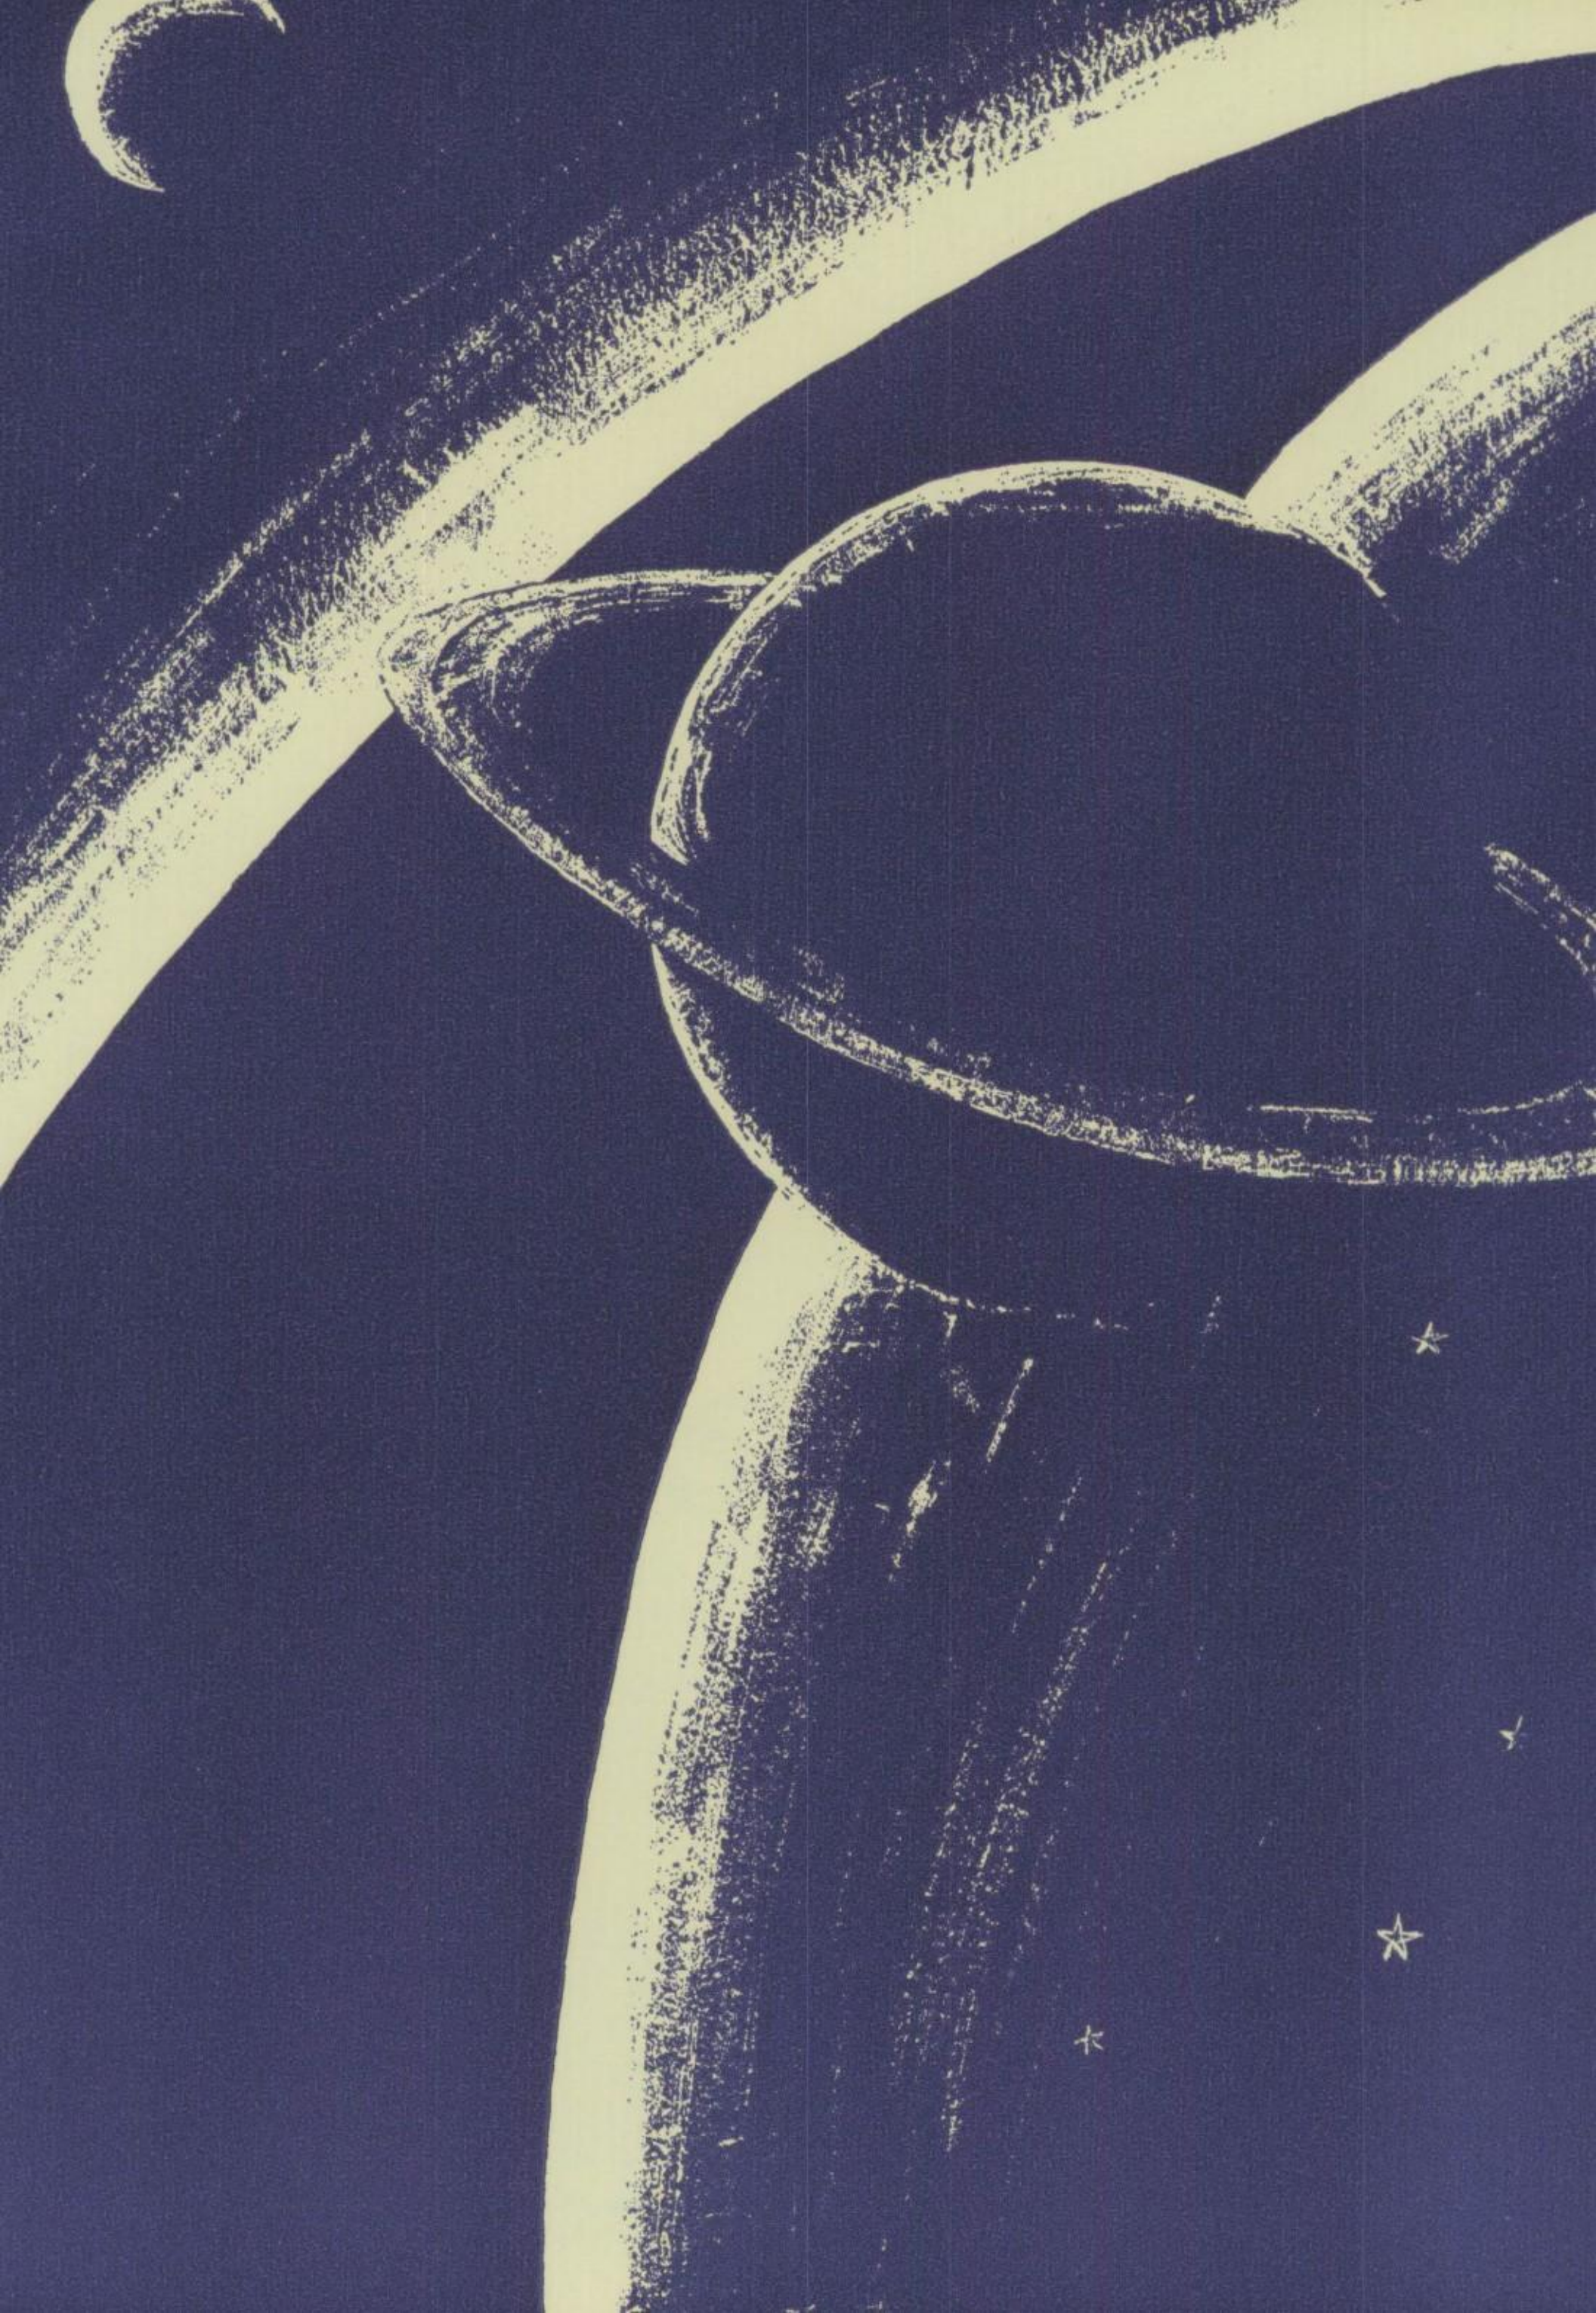

This year saw the R.O.T.C. grow to over 120 men. An armory was built, and 150 rifles installed there. The "Diamond and Disc" club, with the officers of both Glendale and Hoover as members, has been formed, and the unit looks forward to an "Honor School" rating within two years.

GIRLS' STUNT PARTY

The annual girls' stunt party was held on October 25, 1935, under the direction of Blythe Rae Hawley, president of the Girls' League.

The junior stunt, directed by Barbara Hawley, captured first prize—the theme being that of an old-fashioned school room. The senior group, supervised by Edna Harrington, presented a parody on the Cinderella story, while Bonnie Mitchell organized the sophomore stunt which portrayed scenes of activity along Moyse boulevard. The women of the faculty won much acclaim with their "Major Mowes Hamateur Hour."

Florine Teerink, Irene Storer, Doris Dwyer, Marjory Hornbaker, and Mary Jane Hubbard, dressed as the Dionne quintuplets, were awarded the prize for the best costumes. Anne Fitzpatrick and Emily Bristol won the prize fox-trot.

The committee chairmen, whose hard work made the stunt party a success were as follows:

BOYS' STAG PARTY

One of the most successful Boys' Stag Parties in the history of Glendale High was held on Friday, November 1.

The main feature of the evening was a pie-eating contest, which featured Bill Lennon, James Wilson, and Albert Ritchie. Wilson was victor.

A boxing bout between Rusty Gilmore of Compton and Henry Morris of Glendale, and another between Albert Sanchez of U.C.L.A. and Wild Bill Jones of Compton, proved highlights in the evening's entertainment.

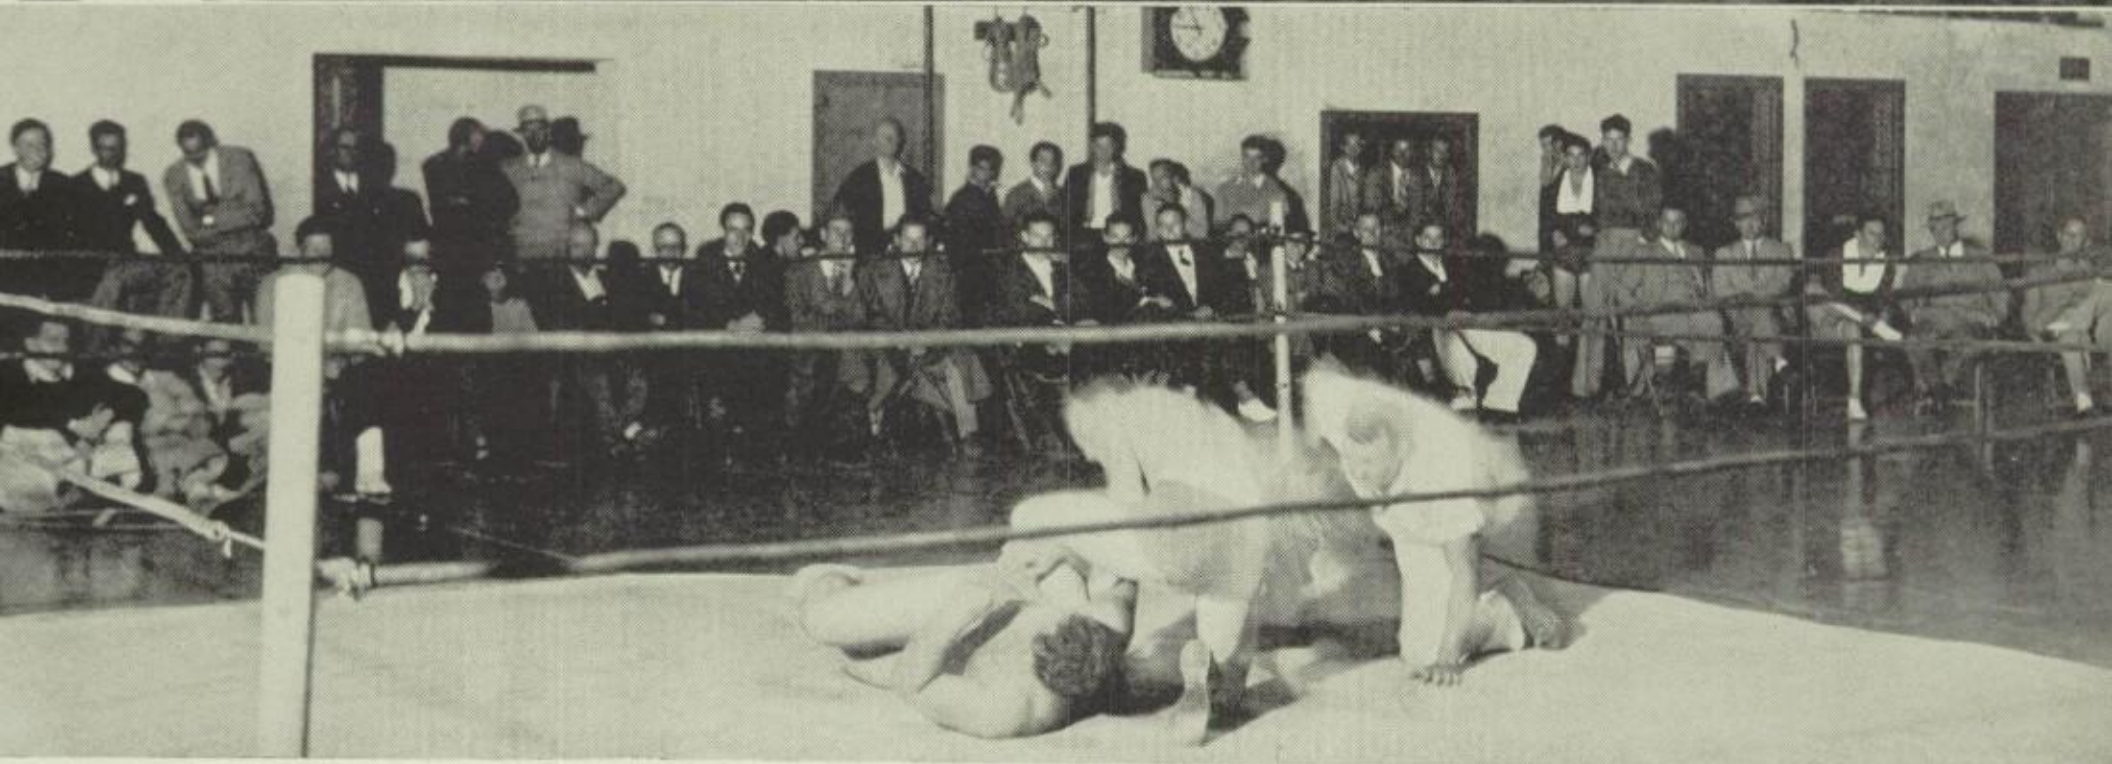

Glenn Carlson, Eddie Golff, James Starkey, and Orville Hole were featured in wrestling matches.

Frank Bull, famed football announcer, presented movies of the U.S.C. Illinois and U.C.L.A. Stanford games.

Another part of the program was two exhibition basketball matches between the Glendale Varsity and Woodbury College. Both matches were won by the Glendale team.

The committeemen who worked to make this annual Stag a success were:

STYLUS

VARIETY SHOW

The twenty-second annual Varsity Show held on March 13 and 14, proved to be one of the most successful ever staged.

Contrasting the modern and the old, the show carried out in a clever fashion the theme, "Time Marches On." The clicking of the wireless could be heard as each number was announced.

A scene at the meeting of the League of Nations during an international crisis opened the entertainment. This act was sponsored by the World Friendship Club. Dot Mactolf, accompanied by Joan Helms, offered a vocal solo as a curtain number.

The second act presented gems from light operas, from 1843 to 1936, and was under the supervision of Florence Parker. This offered one of the most colorful scenes in the show. Members of the glee clubs and voice classes took part.

The third act took the form of an exhibition drill presented by the R.O.T.C. drill squad under the direction of Gene York.

"Rich Man, Poor Man," a one-act play given by the drama class and directed by Marion L. Underwood, was heartily received by the audience. The cast included Gene Knudsen, Helen Veselich, Cleo Shook, Helen Shipley, Sue Harris, Nora Mortenson, Bill Bratton, Marjorie Cummings, Jean Westrum, Warfield Garson, Jean Terwilliger, and Pearlita Penberthy.

A piano duet, "Hungarian Rhapsody No. 2," by Franz Liszt, was rendered by Betty Selby and Carol Lou Haddock. Charleine Deaton and Pat Miller followed with a song and dance from the 1840's.

Act five presented by the French Club and supervised by Dorothy Gilson, was a highlight of the evening. The scene entitled "Paris in the Spring," took the form of an amusing ballet with Shirley Frampton, Shirley Smith and Melton Carr in the leads.

Joan Helms and Bob Renschler then presented a soft shoe dance.

The sixth act, a fan dance by Blair Woolstencroft and Alton Dalrymple, proved to be one of the most comic acts in the show. Joe Wendt sang "Neapolitan Nights" in the following curtain act.

The final production was sponsored by the Girls' League Board and presented a series of effective tableaux, alternating the old and new theme. The skit was written by Sue Harris and directed by Pearlita Penberthy. Two dance numbers were inserted between the tableaux, the first, a flora dora sextet directed by Anne Fitzpatrick, and the second, a modern dance, directed by Rosemary Bowman and Betty Kaesemeyer.

The faculty chairman for the Variety Show was Morgan Smith. Technical direction was in the hands of Esther Crandall, assisted by the stage crew.

SENIOR PROM

The annual Senior Prom, held on December 14, proved to be one of the outstanding social events of the year.

Bill Fleck and his orchestra supplied music for the evening.

A Southern Colonial Christmas was the theme used, and the gym was gaily decorated in red and white. Silhouettes, holly, huge bells, and Christmas trees, transformed the gym into the brilliant interior of a colonial mansion.

The committees that worked on the dance were:

Ray Edwards	- - - - -	Orchestra
Yvonne Baker	- - - - -	Advertising
Lorraine Apsit	- - - - -	Decorations
Dick Hemmingway	- - - - -	Programs
Kay Brooke	- - - - -	Refreshments
Ben Butler	- - - - -	General Chairman

JUNIOR PROM

The annual Junior Prom, held in the Girls' Gym on May 16, was a highlight in the year's social calendar. The theme, "Melody Cruise," was cleverly carried out by the use of nautical designs. The color scheme was blue and white, and the decorations consisted of sailboats, ocean waves and fish nets containing multicolored balloon bubbles suspended from the ceiling. Don Cave and his rhythmic orchestra furnished the music for the occasion.

Committees which brought about the successful Prom were headed by Grover Gauntt, president of the Junior class, and were as follows:

Decorations	- - - - -	Ray Adamson
Tickets	- - - - -	Berk McCollum
Music	- - - - -	Patty Caddell

FORENSICS

Bob Putnam, eminent debator and orator, was elected Secretary of Forensics for the first semester of this year. Things began to boom right away. In a short time Bob arranged for six interscholastic and two intra-mural debates upon the subjects of "Socialization of Medicine" and the "Supreme Court."

In the first debate with Burbank, the team composed of Bob Putnam and Mildred Eberhard won with ease. The second debate with Burbank, in which Charles Davis and Bill Mitchell participated, was also a Glendale victory.

In the next two forensic tussles, Glendale did not fare so well. Miles Johnston and Charles Davis lost to Santa Monica's affirmative team while Putnam and Eberhard lost to the coast team's negative by a narrow margin.

Glendale's last inter-school debate was held with the old rival, Los Angeles High. Putnam and Eberhard won the negative argument at L.A. High, while Davis and Mitchell lost in upholding the affirmative.

The first intra-mural debate was held between James Ap Roberts and Betty Churchill, supporting the negative of the Supreme Court question, and Harry Klissner and George Hood on the affirmative. The negative team won. In the second debate, the negative team composed of Charles Davis and Betty Lee Meritt were victorious over Ap Roberts and Churchill.

At Glendale's annual oratorical, Bob Putnam, secretary of forensics and the winner of last year's oratorical, presided. Laurretta Myers, the sophomore entrant whose topic was "To Have and To Hold" won the oratorical. Laurretta's opponents were Bill Stewart, who represented the seniors, and R. C. Franklin, the junior representative.

Bill Mitchell was elected Secretary of Forensics for the second semester. No debates were held.

In outside forensics, Glendale took part in the Toastmaster's and the Tri-Hi contests.

Hoover won first place in the Toastmaster's contest. Eugene Stern placed second for Glendale. Jean Westrum and Betty Lee also represented Glendale.

In the Tri-Hi, Hoover won first and second places, reversing its place with Glendale who did the same the year before. Bill Mitchell and Eugene Stern came in third and fourth, respectively, in this contest.

There were seven participants in the annual Shakespearean contest. They were Frank Hamilton, Jean Westrum, Pearlita Penberthy, Alton Dalrymple, Gene Knudsen, Lynn Walker, and Anne Fitzpatrick. Alton Dalrymple won the boys' contest while Gene Knudsen came in first for the girls.

Knudsen and Dalrymple were sent to Occidental where they represented Glendale in the Shakespearean contest for high schools over fifteen hundred students. Gene Knudsen won first place in the tragedy contest and Alton Dalrymple won second in the comedy division.

All in all Glendale has enjoyed a very successful season of Forensic activities.

VARSITY FOOTBALL

When Coach Eddie Kienholz opened the 1935 football season, he found three returning lettermen, several promising members of last year's Bee squad, and quite a few men who had turned out for football here for the first time.

This year the team entered the Foothill League, which is composed of seven schools, Whittier, Muir Tech, Covina, Hoover, Fullerton, South Pasadena, and Glendale; the season's schedule was long and

hard. Although the first year in the new loop was not as successful as it might have been, the Dynamiters made a good showing with two games won, one tied, and three lost.

In the first game of the season, a practice game with Cathedral High, Glendale was able to put a line on the field which averaged 183 pounds—eighteen pounds over the team of the previous year. The backfield had about the same weight, but more speed. Hopes were high for a successful season when Glendale came out ahead in this struggle by a 6-0 score.

The first league tilt was with Muir Tech in the Rose Bowl. The Blasters' interference and blocking didn't seem to click, and they came out with the short end of a 33-7 score.

The team expected to have a breather when they played Fullerton, but in a game marred by fumbles on both sides, the Indians held them to a scoreless tie.

In the third league game of the season Glendale met South Pasadena on Moyse field and outplayed them to the tune of a 34-0 tally.

Whittier, one of the strongest teams in the league, edged the Dynamiters out by the small score of 6-0.

In a non-league game which served merely as a workout for both teams, Long Beach defeated Glendale by a tally of 40-13.

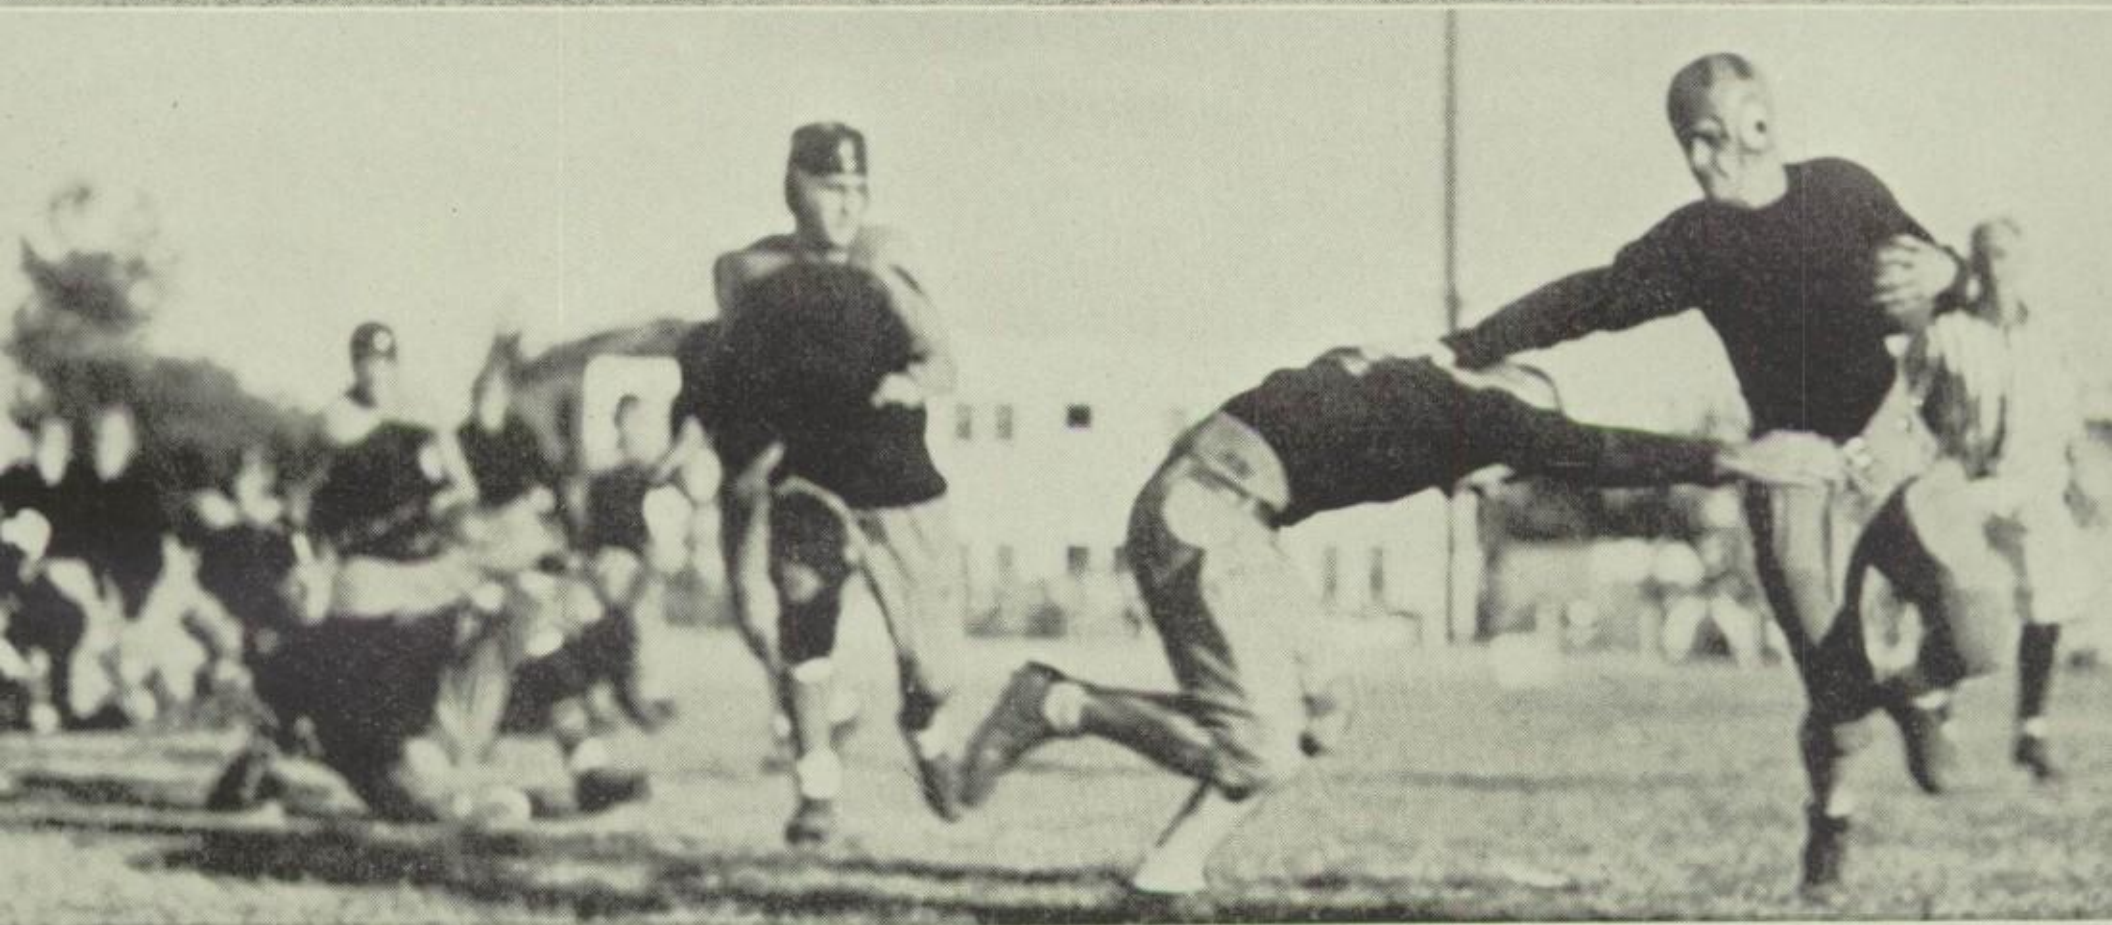

Glendale's one outstanding success of the year was the sensational defeat of Hoover in the Rose Bowl. The Dynamiters went into the game slight favorites and unquestionably outplayed the Tornados all through the game. The team came out with the best end of a 13-2 score—the first victory over Hoover since 1931.

Covina was the Blasters' last league opponent and nosed the Dynamiters out by a 14-0 score.

Glendale closed the season by going down to Santa Barbara by a score of 25-6. Ray Belnap captained the 1935 team.

No captain was elected for next year's season. There will be a different captain for each game.

The chances for a championship team next year are brighter than they have been for several years. With ten returning lettermen Coach Kienholz hopes to win new honors for Glendale High.

SOUTHERN CALIFORNIA CHAMPIONS!

CLASS B FOOTBALL

George Sperry's lightweights won the championship of Southern California! This year the "B" team after winning the league title for the third consecutive time went onward to remain unbeaten and win the highest football honor in Southern California.

The Bees opened the season by showing their superiority to Muir Tech in a close game which ended 6-0.

After tramping over Fullerton on their own field the Glendale lighties played South Pasadena to a scoreless tie.

The next rung of the ladder was Whittier. The Blasters beat the poets by a decisive 12-0 score.

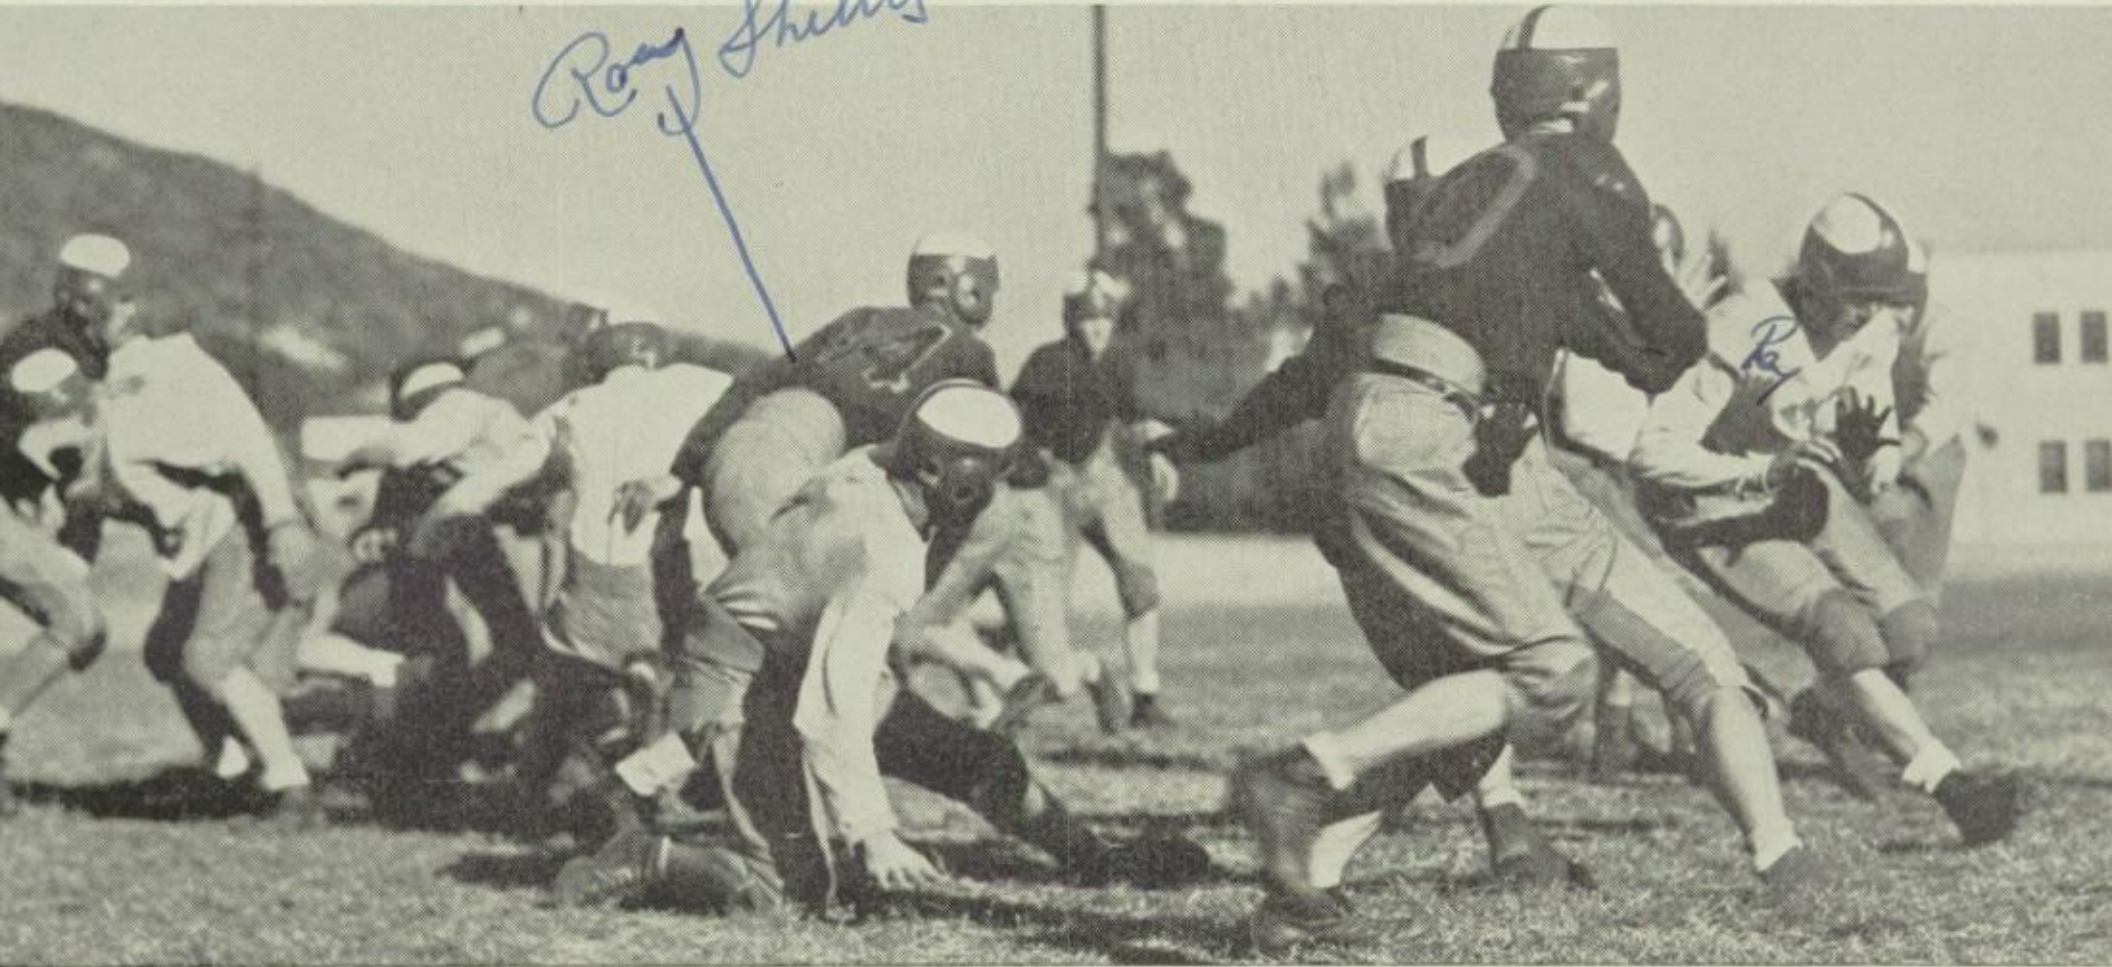

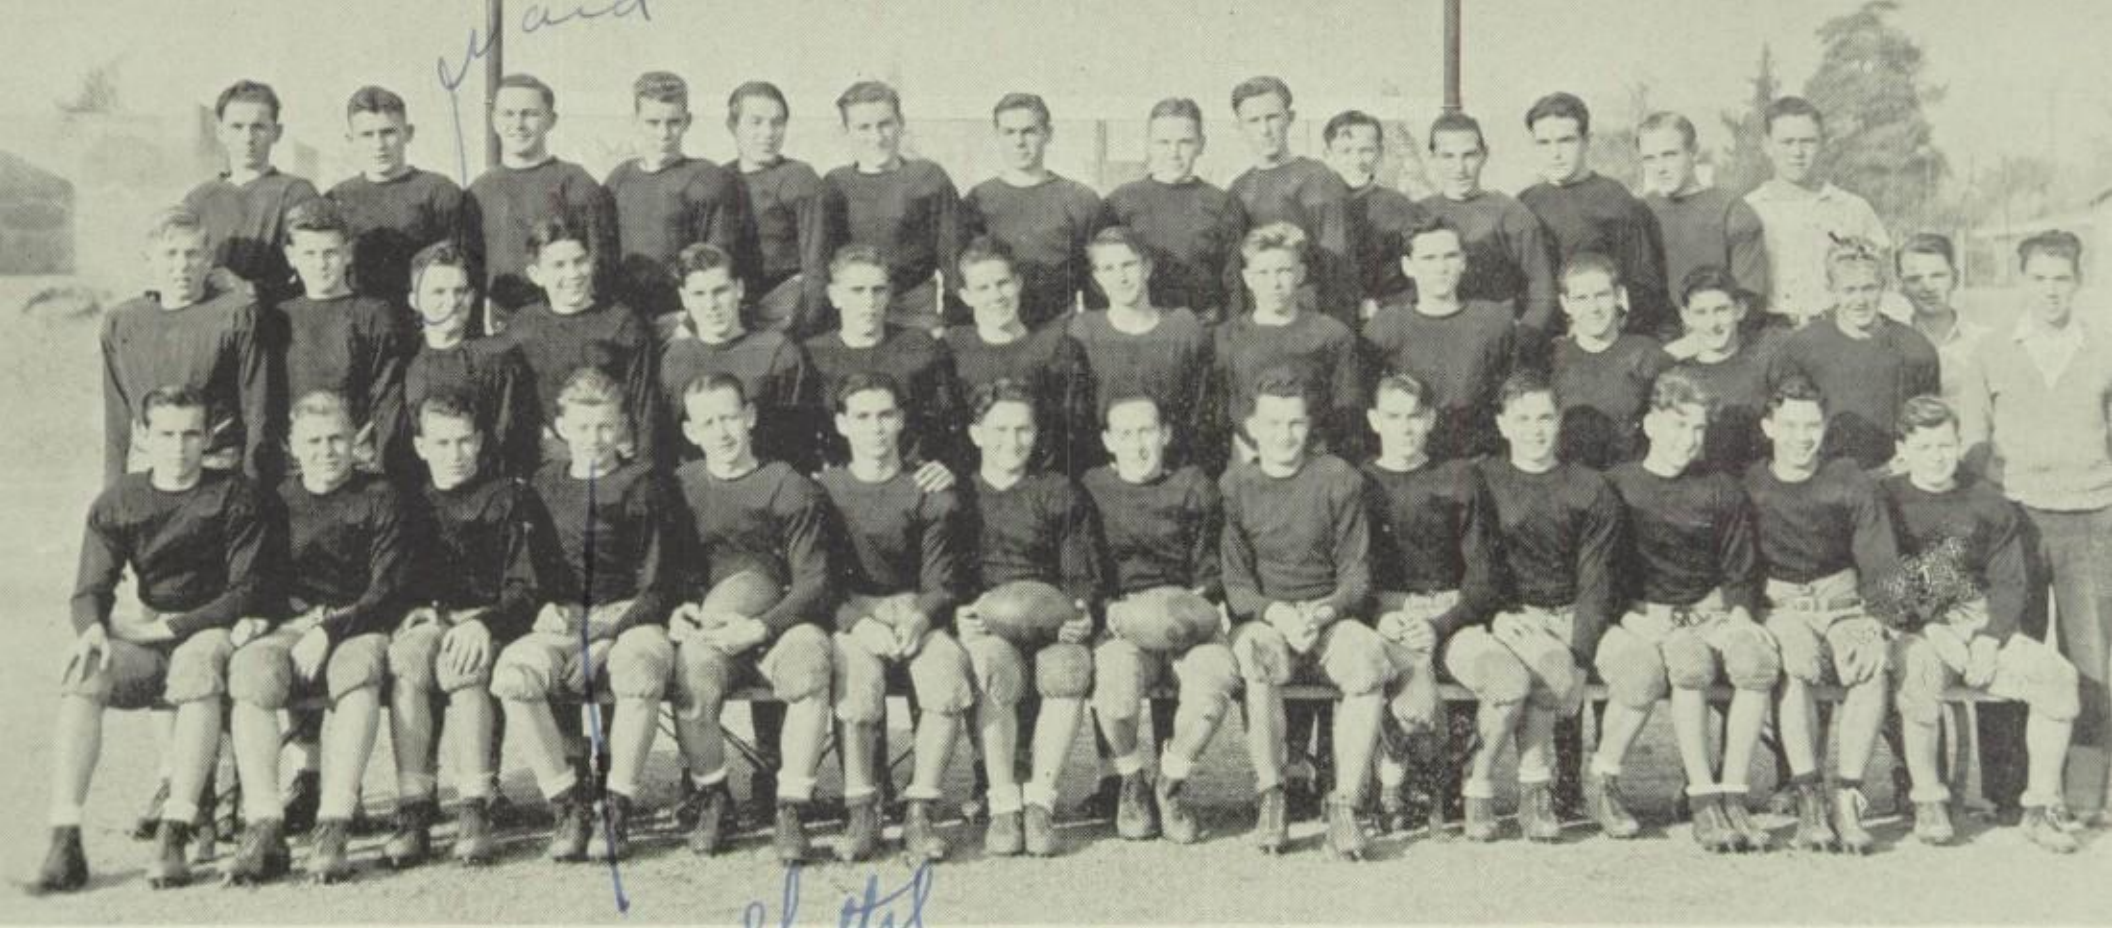

The most important league game was the traditional clash with Hoover. The Hoover Bees had never beaten Glendale and could do no better than to hold them to a 20-6 tally.

The Blasters finished the league season up with a flourish when they cinched the Foothill League title by putting the Covina Colts down by a score of 31-0.

In the semi-finals for the C.I.F. championship the Glendale Bees met Compton at Compton. In one of the best games of the entire season the Glendalites emerged victorious 14-7.

The final game was held in the Rose Bowl with the Montebello Oilers. The first three quarters of the struggle remained scoreless, but in the last quarter a well executed pass from Frank Albert to Rex Badley gave Glendale a 6-0 lead.

The Bees were awarded gold footballs and letters in a student assembly, and the highly successful team captained by Bill Johns, closed a championship season.

Glendale began the season by losing to the strong Muir Tech team by a score of 30-24.

The first victory for the Blasters came when they defeated Fullerton by the decisive score of 26-13. Glendale showed a strong quintet and it looked as though the Dynamiters would rate a high standing in the new league.

These hopes were beginning to look forlorn when the hoopsters lost the next two league games. South Pasadena took Glendale by the score of 28-21, and Whittier took the Dynamiters by the oversize tally of 42-24. In the Whittier game Glendale was handicapped by the loss of two of her regulars.

In the Hoover game the team once again began to click and got revenge on that age-old rival when the game ended with a score of 28-21. This game kept Glendale's exceptional record of never having been defeated by Hoover in a basketball game.

Beginning on the second round of the basketball program Muir Tech again defeated Glendale, 24-17.

Fullerton gained revenge for the defeat earlier in the season and came back to get the long end of a 20-17 score.

Two straight victories followed in which South Pasadena and Whittier bowed to the Nitros by scores of 20-17, and 34-31 respectively.

Hoover came to the Glendale court and made up for the earlier defeat at the hands of the Dynamiters by beating them 20-18. The combined scores of the two games put Glendale ahead 46-41.

In the last game of the season the Covina Colts surprised all concerned when they managed to get a close 32-31 win over Glendale.

B B A S K E T B A L L

The Bees under Coach Jack Gaines began a successful season by defeating Muir Tech by a score of 26-19, and taking Fullerton by a tally of 29-15.

The first defeat occurred at the hands of South Pasadena when the Blasters went down to a score of 26-20. Whittier bowed down before the Bees when they took the short end of a 34-27 tally.

A vastly underrated Hoover team secured an upset when they took the Glendale boys, 20-12. Covina fell before the Blaster offense, 28-11. This ended the first round of the schedule with Glendale winning four out of the six games played.

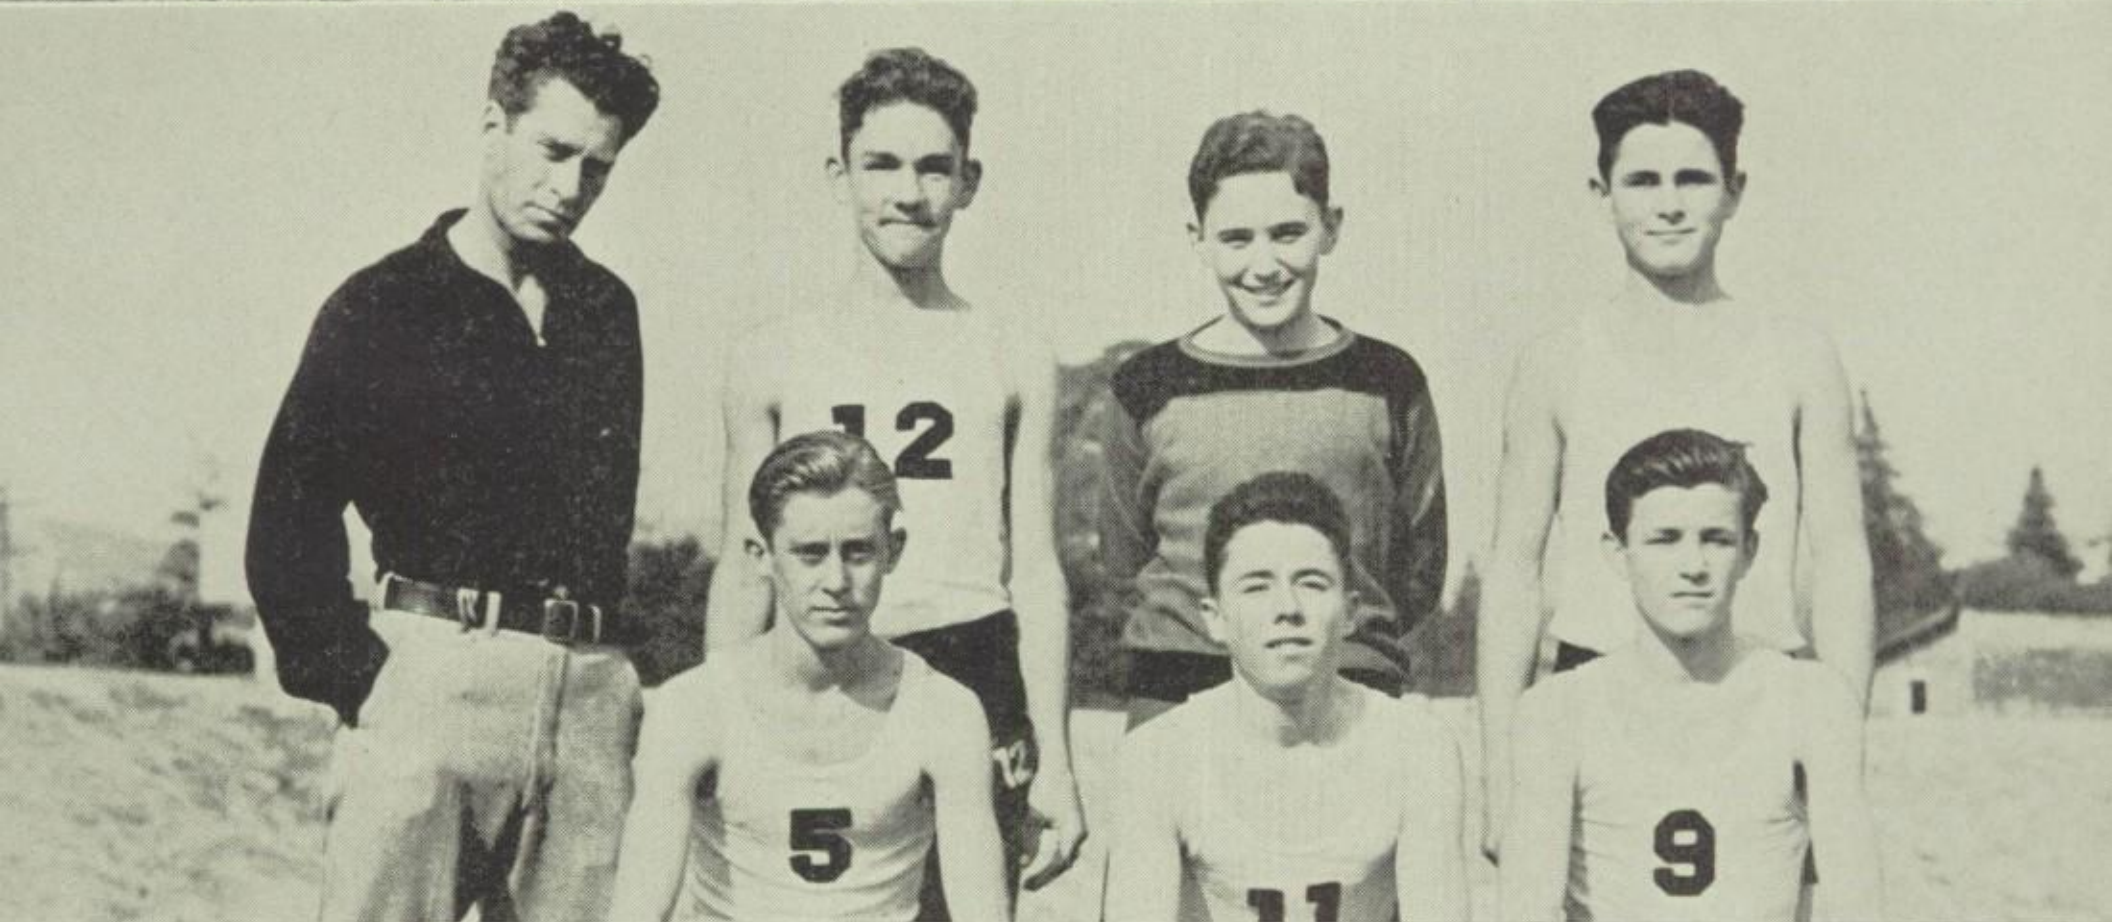

In the second game with Muir Tech the Terriers came up to win 29-21. After losing to Fullerton and playing a hard fought game with South Pasadena, the Dynamiters set Whittier back by a 44-36 score.

This time the boys were all set for Hoover and sent them home with 16 points to Glendale's 20.

In a blaze of glory the Bees finished the season by swamping Covina under by the lop-sided tally of 51-22.

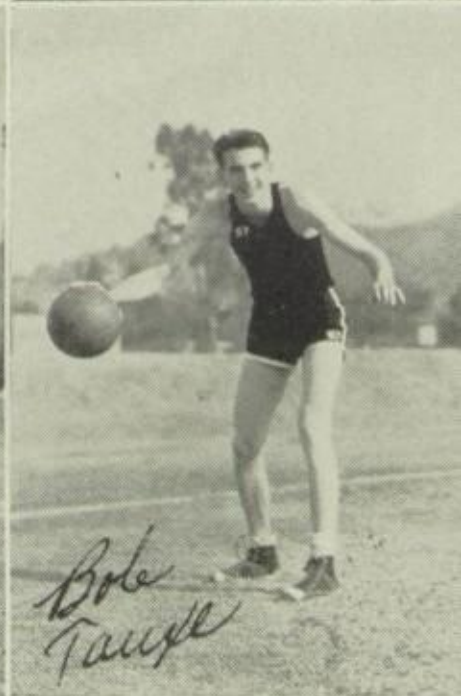

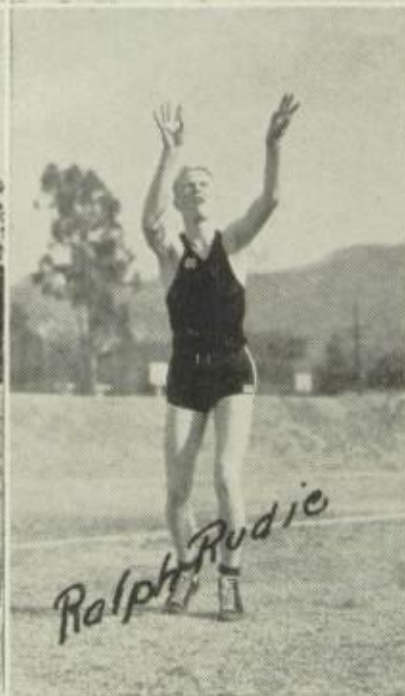

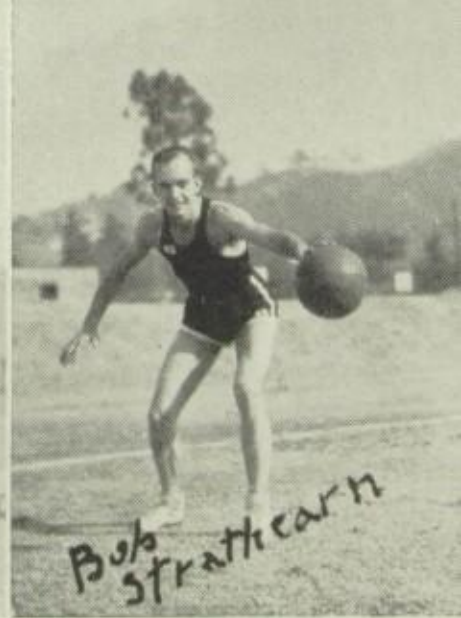

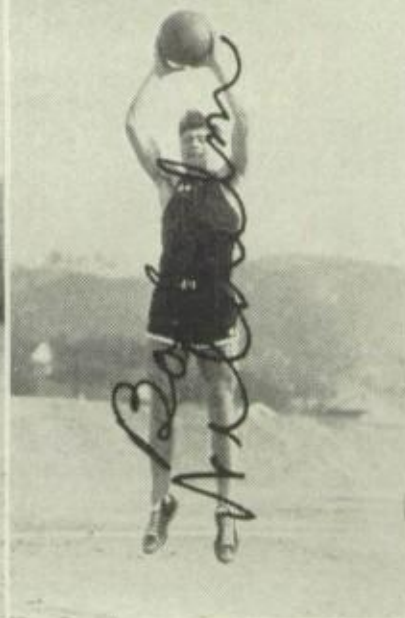

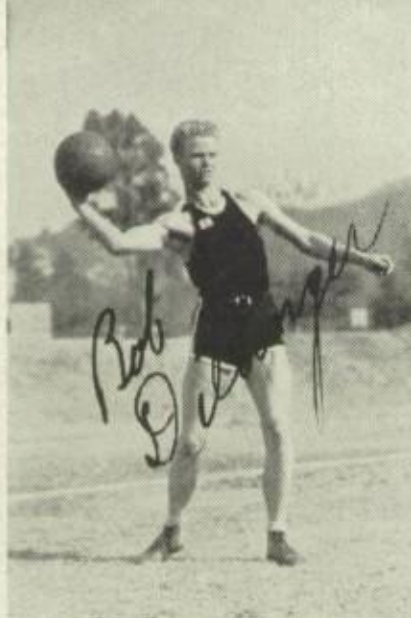

C B A S K E T B A L L

The Cees, under Coach Mandell, won fourteen out of twenty practice games outside the league. In the league they won three out of six games, tying with Hoover.

G O L F

The Dynamiters started the season off late this year, but soon developed into a championship aggregation. In the practise matches they toppled Glendale J. C., Manual Arts, Hollywood High, and dropped a match to Los Angeles High.

In the first round of the Foothill League matches they defeated Muir Tech $9\frac{1}{2}$ to $5\frac{1}{2}$; Hoover went down next by a score of $12\frac{1}{2}$ to $2\frac{1}{2}$, and Whittier was shut out 15 to 0. They dropped the last match to South Pasadena 9 to 6.

In the second round of the league schedule the Glendale team started with an unexpected defeat when the Muir Tech team won by a score of 10 to 5. The Dynamiters again defeated Hoover $9\frac{1}{2}$ to $5\frac{1}{2}$. This made Glendale undisputed City Champions.

As this copy goes to press the Whittier and the South Pasadena games remained to be played. The team stands an excellent chance of winning the Foothill League title. If the Foothill League title is won the team stands a good chance in the C.I.F. Finals. Garson, Minasian, and Lewis are expected to make a real showing in the C.I.F. individual championships.

The team played as follows: Warfield Garson—first man, Harold Minasian—second man, Hal Lewis—third man, Ralph Reed—fourth man, Leonard Klapper—fifth man, Jack King, reserve.

This season's success is undoubtedly due to the fine work done by Coach E. Milford Brunner, without whose help the team could never have come out on top.

FOOTHILL LEAGUE CHAMPIONS

TENNIS TEAM

Largely through the efforts of Bill Lennon, manager of the tennis team, Glendale High School again turned out a championship aggregation.

The team played a league schedule in which they met each of the other league teams twice. During the whole schedule they never lost a match.

The scores of the league matches were as follows: Muir Tech was beaten twice by the Nitros, 25 to 0, and 16 to 9. Fullerton fell 22 to 3, and 25 to 0. South Pasadena 23 to 2, and 25 to 0; Whittier 25 to 0, and 18 to 7; the boys took the City Championship when they defeated Hoover twice—21 to 4, and 25 to 0. Covina didn't score a point against Glendale; the scores of both games were 25 to 0.

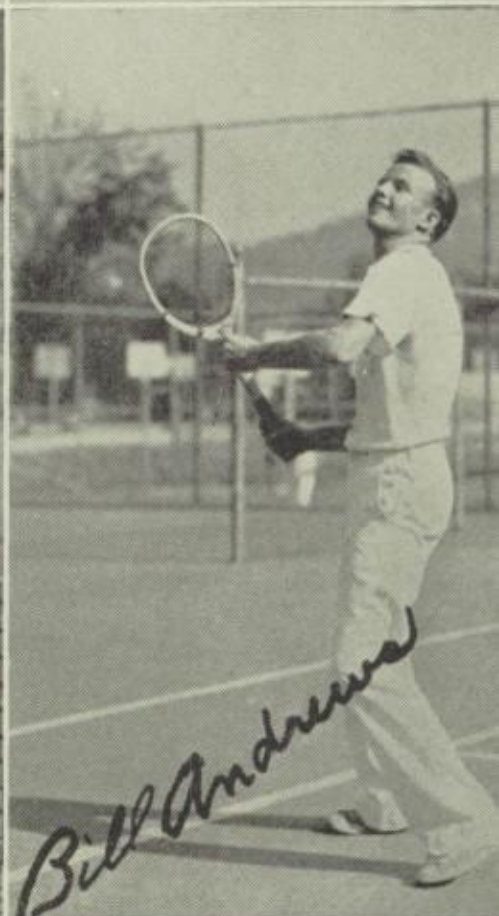

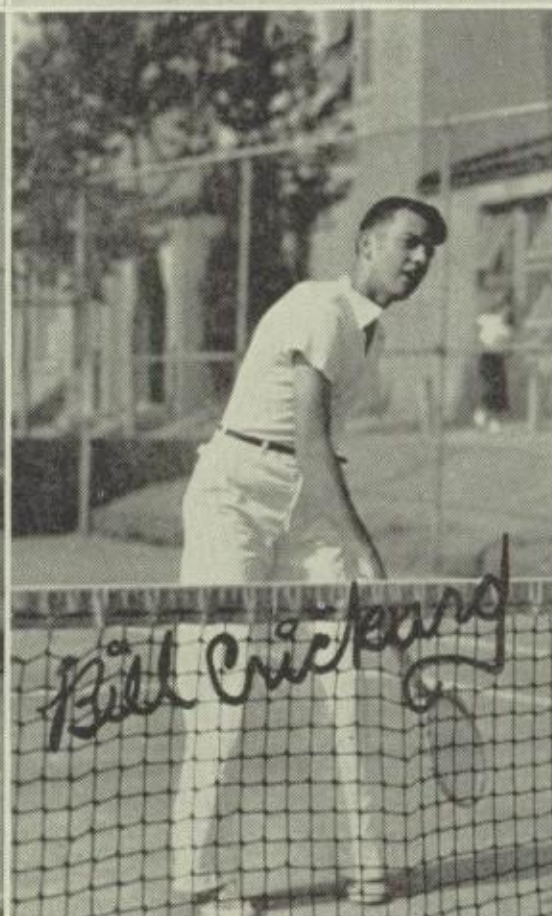

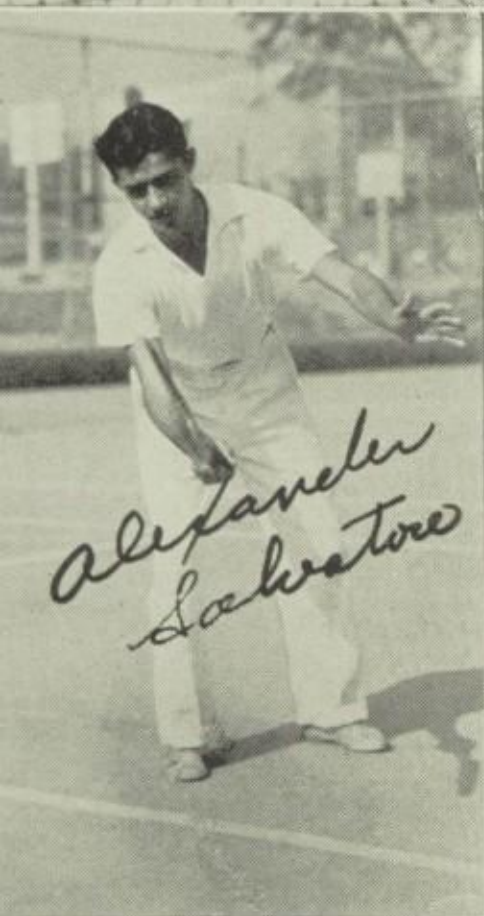

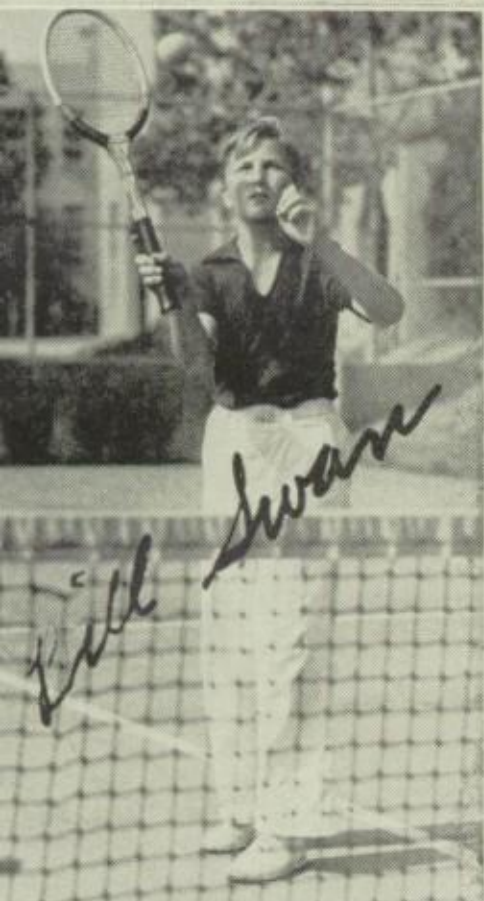

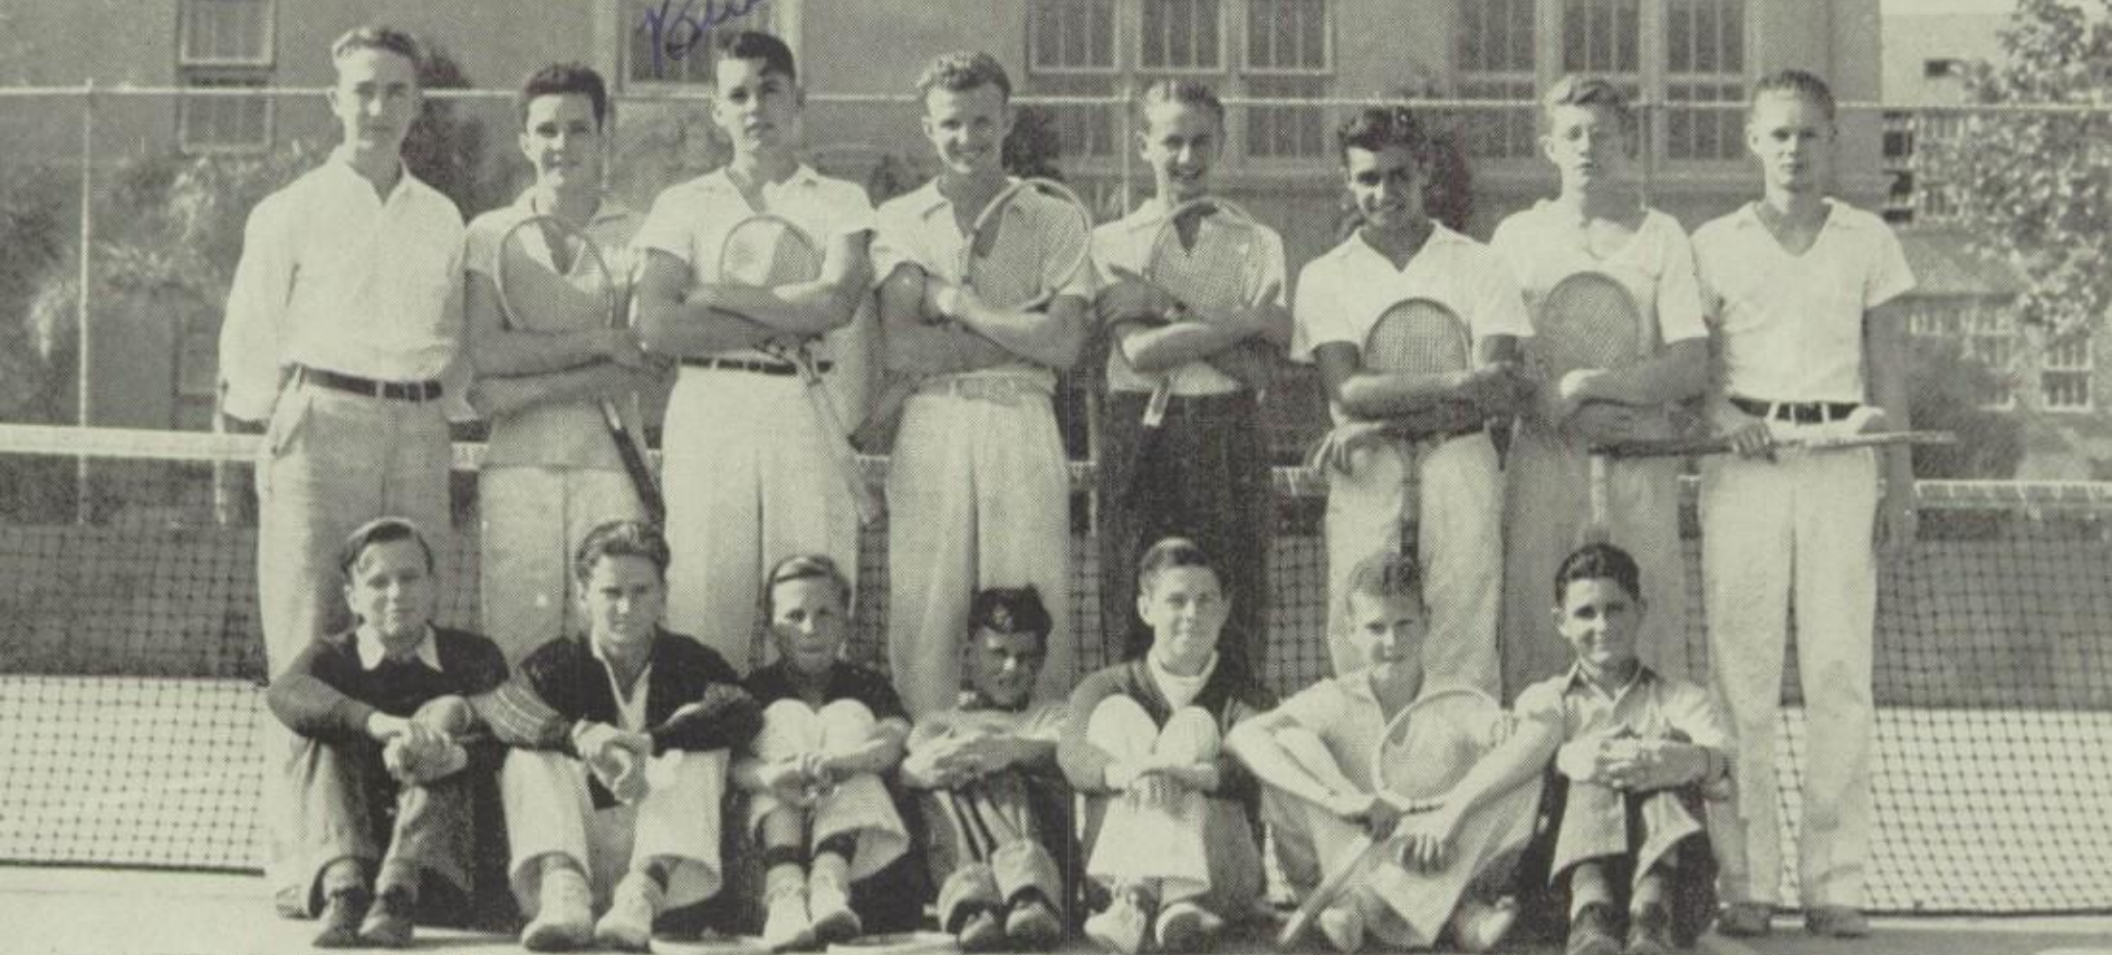

Crickard and Swan, undefeated first doubles combination, had to be broken up because of the injury to the regular first singles man, John Burris. John at the beginning of the second round developed an injury in his right arm and was unable to play singles. Crickard was moved to first singles and Burris and Swan proved to be as good as the previous combination.

Little Ted Schroeder, alternated at first with Bill Crickard. It was Ted's match which won the second Muir Tech encounter for Glendale.

It is interesting to note that Glendale beat every team in the league by a score of 25 to 0.

Members of the team were Captain Bill Crickard, Bill Swan, Johnny Burris, Ted Schroeder, Alex Salvatore, Bill Andrews, Ed Trudeau, and John Keller.

The team was coached by Mr. Jellison, and managed by Bill Lennon.

FOOTHILL LEAGUE CHAMPIONS

VARSITY TRACK

The best track team that has ever represented Glendale High was produced by Coach Cripe in 1936. The Dynamiters won the Glendale City Championship, the all-Foothill League Championship, the Foothill Dual Championship, and placed second in the Divisional Meet at Hoover.

In the first league meet the Glendale spikemen gave an early showing of their strength when they upset the strong Muir Tech team 58 to 46. The outstanding performance of the meet was Corbett's time of 9.9 seconds in the hundred.

The next meet was with Fullerton where the Dynamiters came out on the better side of a 72 to 32 score. South Pasadena went down 73 to 31 and the next team to fall before the powerful Nitros was Whittier who was beaten by 65 to 39.

After losing a practice meet to Fairfax the team was set for the most important game of the schedule—the Hoover game.

The five successive Hoover track victories over Glendale had formed a sort of "jinx" on the Glendale team. An inspired Glendale track team met Hoover on its own field and completely swamped the Purple Tornadoes. The final score was 68 to 36.

In this meet Jordan surprised everybody concerned when he succeeded in putting the shot 48 feet $5\frac{1}{4}$ inches. The relay team came through with a time of one minute 31.4 seconds. The Dynamiters won ten out of twelve first places.

Finishing the league season in a spectacular display of power the Nitros crumpled the Covina team 82 to 21.

On the Hoover High oval the Dynamiters added another cup to their collection when they amassed $43\frac{3}{4}$ points to win the all-Foothill League championship. In this meet Whittle, Coach Cripe's "find," ran the quarter mile in 50 $\frac{6}{10}$ seconds. The relay team turned in the surprising time of one minute 29.4 seconds.

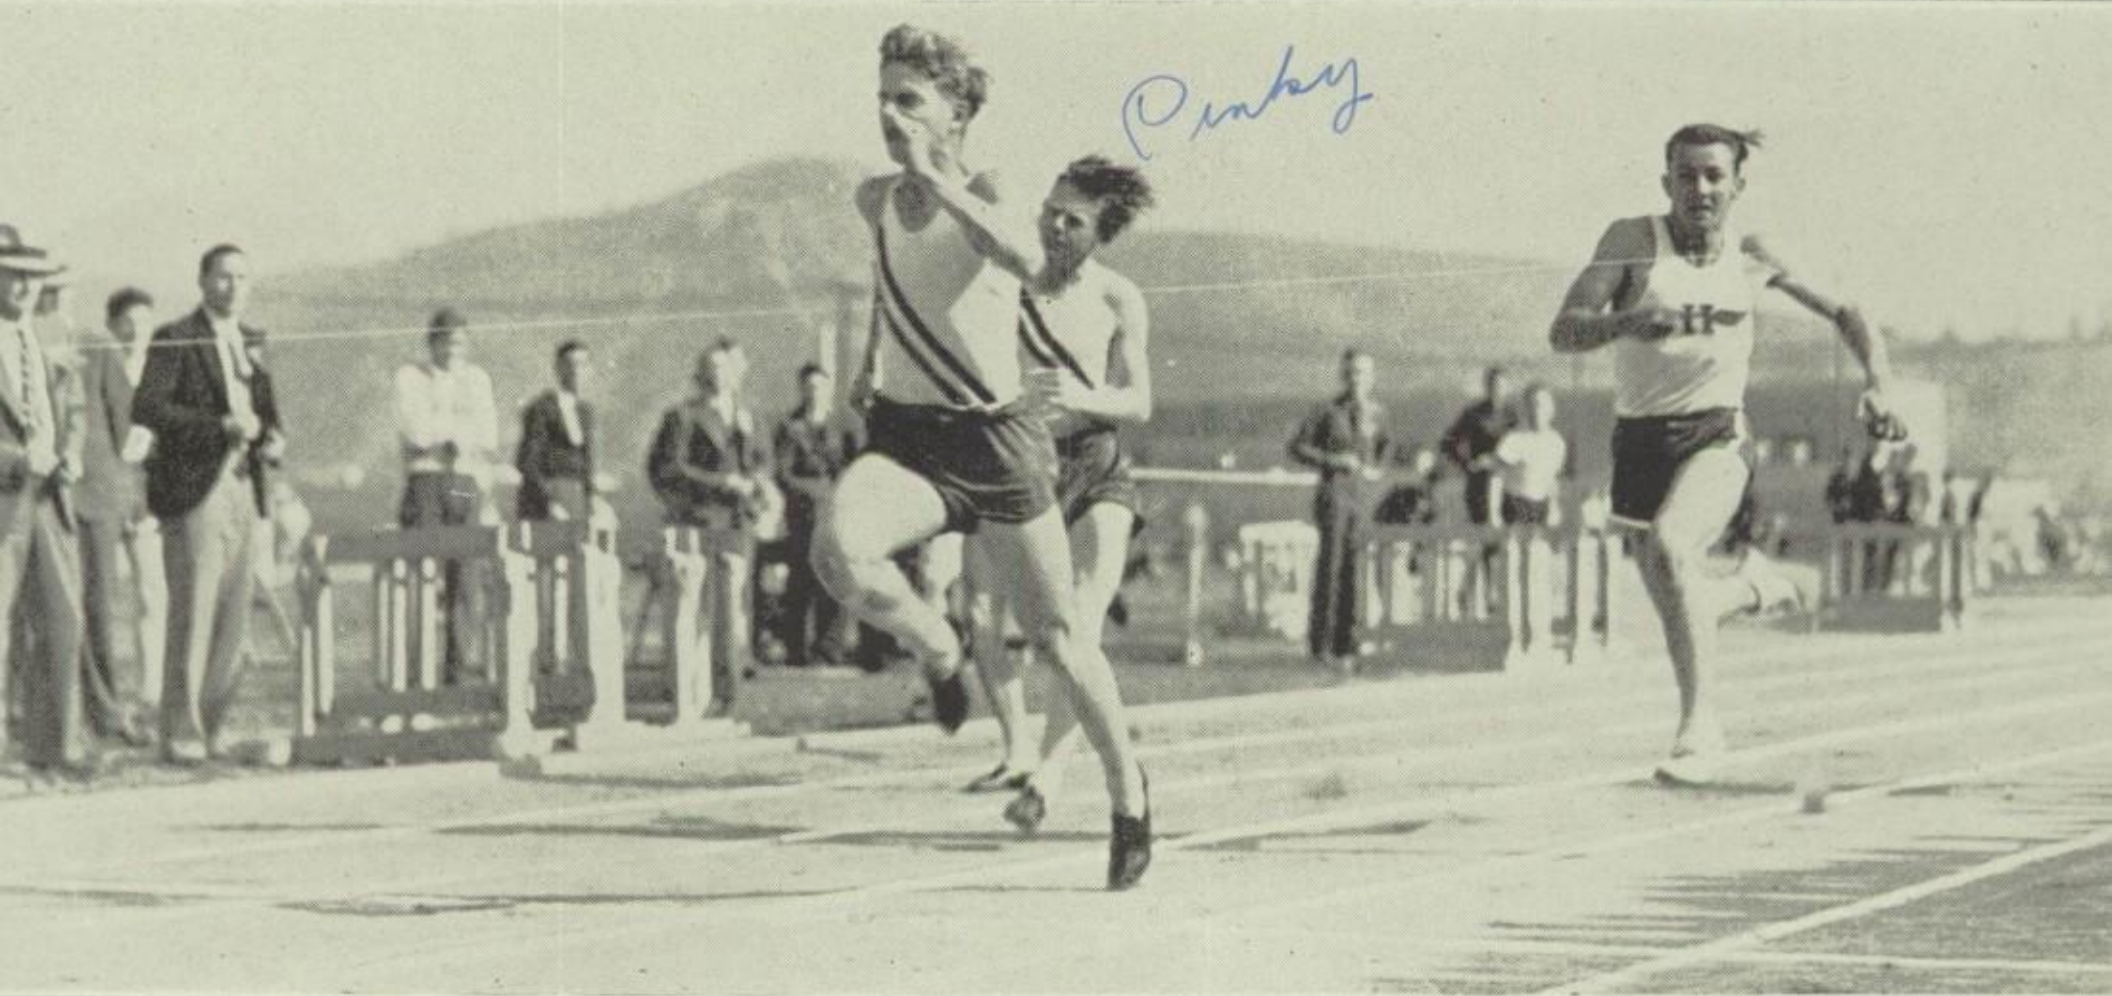

In the Divisional Meet at Hoover Glendale came second to Wilson High who totaled $21\frac{1}{2}$ points. The Dynamiters took 18 points. Miller directly qualified for the Southern California finals at Long Beach when he ran the mile in 4:37. Probably Albright, Shaver, and Badley will also qualify for that meet.

This year's track team had three returning lettermen; next year's team will have ten. The captain of the 1936 team was George Shaver.

In the Southern California Finals, Glendale netted $6\frac{3}{8}$ points. Shaver took third in the low hurdles, and fourth in the highs. Badley tied for fourth in the pole vault, and Miller came in sixth in the mile.

CROSS-COUNTRY

The Cross-Country Team under the direction of Coach Cripe entered the Southern California Finals where Miller placed second. Other members placed 16th, 17th, 24th, and 25th. Members of the team were: Miller, Hood, Black, Sholes, Carr, McCullom, Ferraro, and Poush.

B T R A C K

The Bee trackmen managed to take third place in both the all-Foothill league meet and the Foothill Dual meets.

The first game of the season was with Muir Tech, of Pasadena. The Dynamiters tied with the Bulldogs 47 1/2 to 47 1/2. South Pasadena then went down by a score of 75 2/3 to 19 1/3, and Whittier followed suit when they lost to Glendale by a tally of 77 to 18.

The first team to beat the Bees was Fullerton, who took the Nitros 57 to 37.

In the Hooyer game the Glendale boys lost to that team by a score of 52 1/2 to 42 1/2.

Covina was swamped by a score of 79 to 16.

In the league meet which followed Captain Packard cleared the bar at 6 ft. 3/4 in. and in the divisional meet at Hoover Burton ran the 660 in 127.9.

Five men qualified for the Southern California finals held at Long Beach. They were Packard, Norris, Burton, Sauer, and Smith. All of these boys have a good chance of making an excellent showing for Glendale High in that meet. The Stylus went to press before the finals so the results are not known at this time.

FOOTHILL LEAGUE CHAMPIONS

C T R A C K

The Cee team, also turned out by Coach Cripe, lost only two dual meets and won the all-Foothill League meet. They lost one dual meet to Whittier, the champions, by one point and went down to Hoover by the close score of 39 1/2 to 37 1/2.

The Cees came third in Foothill dual competition and made many fast times. Among them were three new Foothill League records.

The first league record was set by Captain Ritche in the league meet when he managed to heave the shot 47 ft. 4 3/4 in.

Tanaka hung up a new record for the broad jump by a leap of 21 ft. 1 in., and Bohannon vaulted to a height of 11 ft. 4 1/2 in. This was also a Foothill League record.

In the meet at Hoover six boys qualified for the meet at Wilson High in Long Beach. These boys were Mitsch, Bohannon, Forstall, Tanaka, Ritche, and McGuire. If they make good in the Southern California finals they will go on to the State meet.

In the Southern California preliminaries the relay team turned in the excellent time of 46 seconds flat.

In coming years many of these boys will go on to the Varsity and the Bee teams and it looks as though the next few years will see bigger and better Glendale track teams.

BASEBALL

The Glendale High baseball team this year was composed mainly of Juniors and Sophomores—mostly new material. A rather inexperienced team took its stand in Foothill League competition and by sheer fight managed to win four and lose eight games of the schedule.

In the practice meets before the league schedule the Dynamiters had high hopes of going far in league competition. Teams rated as some of the best in California were beaten by the Blaster nine.

Then something seemed to go wrong when Glendale came out on the wrong end of a 19 to 3 score in the first encounter with Muir Tech. One of the biggest reasons for this defeat was the errors on the part of the Sperrymen. They made twelve to their opponents' one. The pitching staff was found to be the main weakness of the team.

The Fullerton meet met with even worse disaster when Glendale went down to that school 15 to 1. After the other pitcher was knocked out of the box, Ralph Rudie, a relief pitcher, limited the Indians to only five more runs.

In a hard fought game played at Whittier Glendale nosed the Cards out 9 to 8. A last inning rally accounted for the win.

The first Hoover game of the schedule was lost by Glendale by a score of 5 to 4. The Dynamiters managed to get eleven hits to the Tornadoes' six, but the Hooverites got the breaks and finally got a small win.

The Covina Colts beat the Blasters 6 to 2, and opening the second round of the schedule Muir Tech took Glendale 14 to 2. Fullerton beat by a score of 6 to 0.

Glendale broke a losing streak by taking the South Pasadena Tigers 13 to 7. The next game Whittier took an overconfident Glendale team 16 to 9.

Two more wins ended the baseball season. The second game with Hoover ended 11 to 3. Floyd Custer managed to take the pitching position successfully.

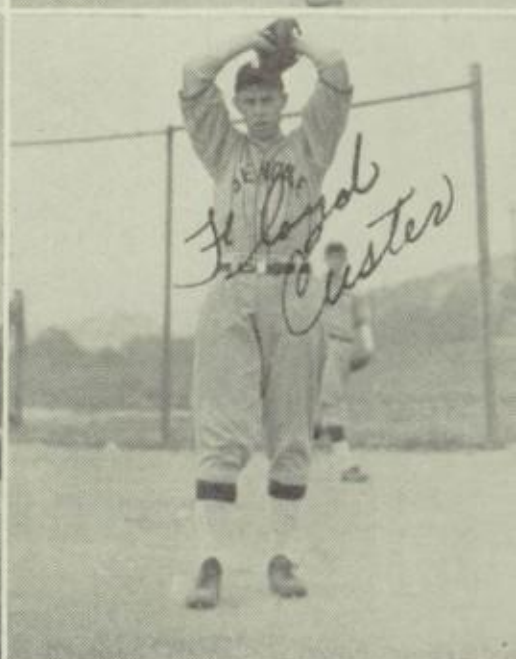

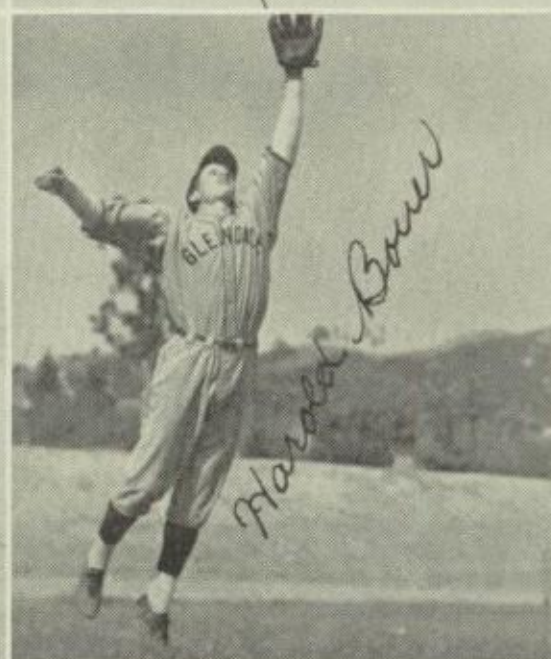

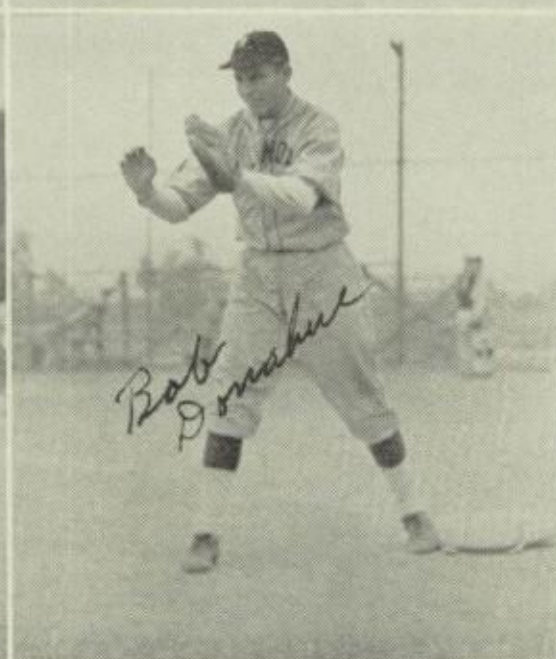

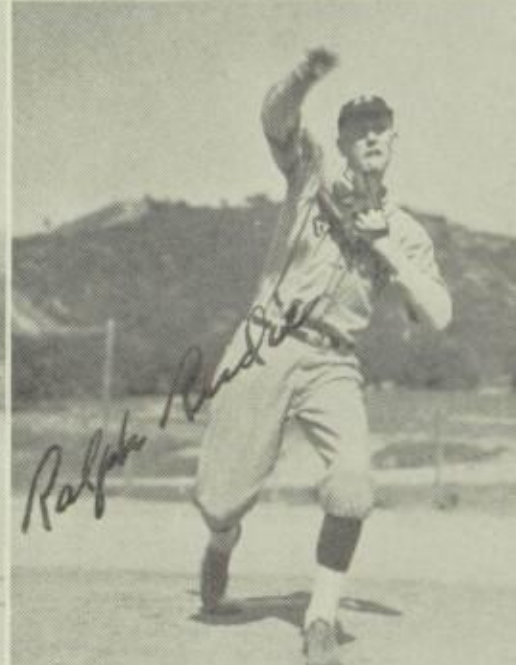

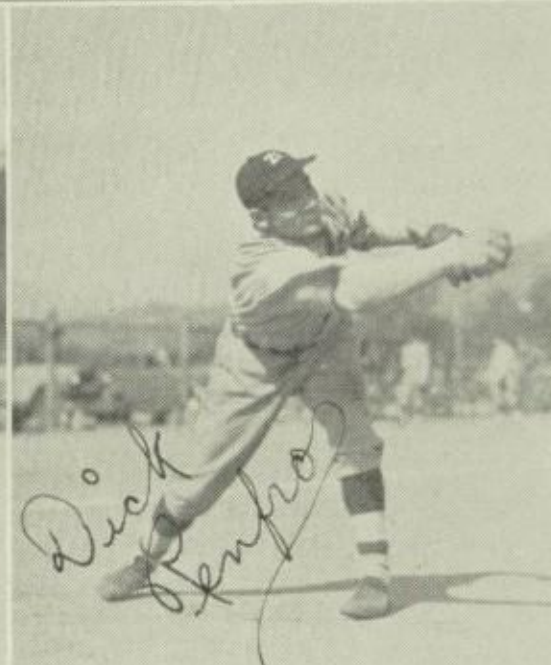

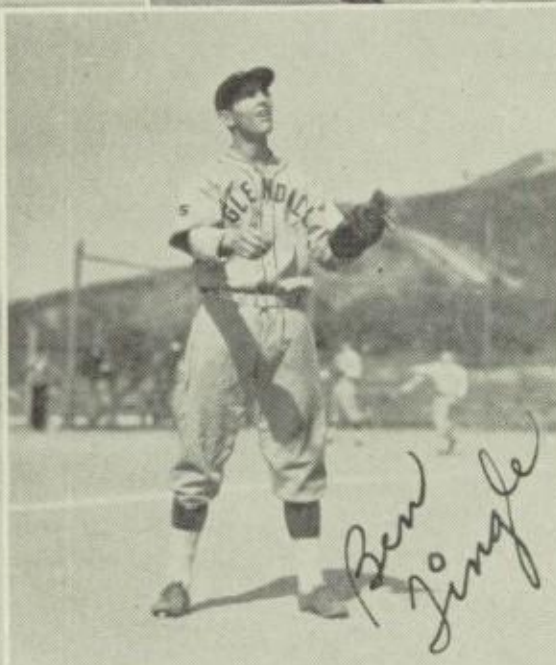

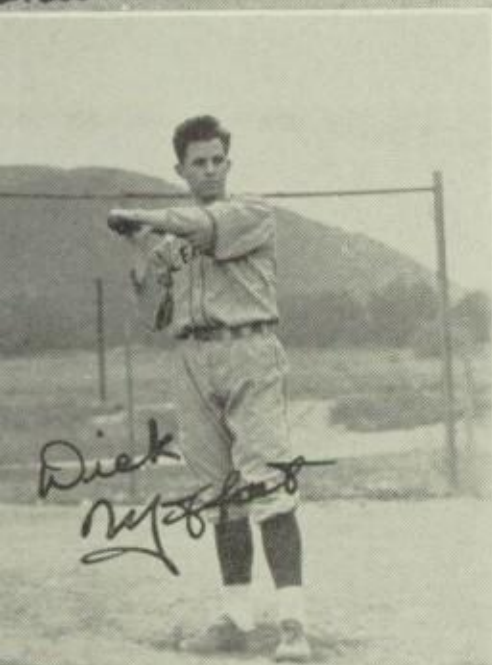

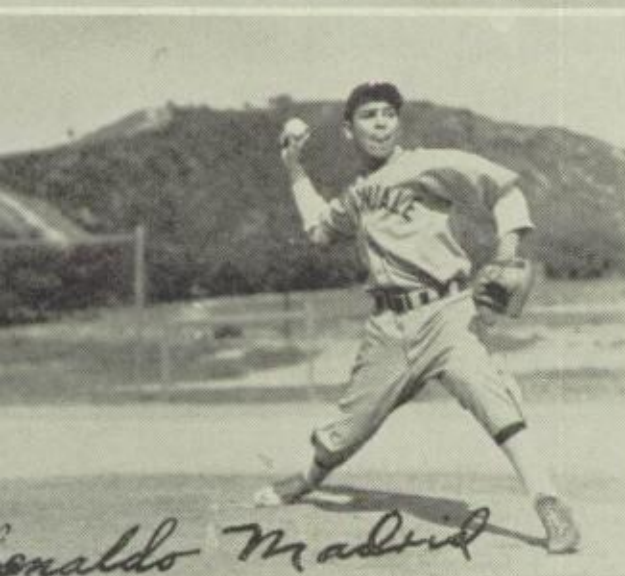

In the last game Bob Dillinger smacked three home runs and in a thrilling game the Covina Colts went down 9 to 3.

Baseball lettermen for 1936 were Captain Bob Dillinger, Dick Moffatt, Ralph Rudie, Renaldo Madrid, Bob Donohue, Floyd Custer, Jack French, Harold Bouer, Charles Haney, George Johnson, Dick Renfro, Newell Whittier, Art Zuniga, Ben Tingle, and Douglas Simpson, Manager.

Next year's team will have eight returning lettermen and three members of this year's squad.

With such excellent material Coach Sperry will no doubt put out a team which will stand high in the league.

The outstanding "finds" of the season were Custer and Moffatt in the box. Both of these men will be back next year. In the Covina game Captain Dillinger made what is thought to be a high school record in making three home runs in one game.

EVERYTHING UPSET

Elsie: "What's the row in here?"
Reggie: "Grandpa's showing dad how to do my homework."

NOT HOMESICK

Mose was in the war. At every explosion he strove for the rear line. His colonel talked to him thus:

"You shouldn't be afraid, Mose. Why, what if you do die? Heaven's your home."

"Yassuh, ah knows. But ah ain't homesick."

* * *

THE INTERRUPTION

He was talking with great vigor against corporal punishment for boys, which he declared never did any good.

He: "Take my own case, I was caned only once in my life, and that was for speaking the truth.

Somebody (in the audience): "Well, it cured you."

THE ETERNAL FEMININE

Just as luncheon was about to be served at an outdoor picnic, an unexpected shower forced the picknickers to run for cover. One old lady grabbed her skirts. A young man ran up to her and said: "Oh, my dear Madam, you are getting your legs all wet."

To which she replied: "Young man my legs are 60 years old but my hat is new."

* * *

A SAVING

The flapper was truly repentant and sought to make amends. "Jack," she cried, "I am sorry I treated you the way I did."

"Oh, that's all right, honey," Jack replied. "I saved \$30 while we weren't on speaking terms."

* * *

GAINING EXPERIENCE

Landlady (jokingly): "I don't suppose you know what it means to be hungry, Mr. Smith?"

Boarder: "No, but I'm learning."

They're all the same when the black and red take the field . . . and explode the flights of fancy of opposing foemen. Back of your splendid record on track, field, diamond and court, good athletic equipment provided by Cornwell & Kelty has played some part, and we enjoy with you the thrill of victory. Established in 1911, Cornwell & Kelty have supplied athletic equipment to Glendale's "Greats" in their preparation for All American honors and world record-breaking accomplishments. But that isn't all. When your school days are over, Cornwell & Kelty can be your link with campus days. When sporting goods and household ware begin to attract you, we'll be here to welcome Glendale High girls and boys with the same friendly enthusiasm that has made us the oldest store in Glendale with the youngest spirit.

A foreman had a great deal of work to get through and was, unfortunately, very short-handed. Seeing a tramp lying on the other side of the road, he crossed over and said: "Look here, do you want any work?"

"What sort of work?" asked the tramp.

"Well," said the foreman, "could you do anything with this shovel?"

"Rather!" said the tramp, brightening up, "I could fry a nice piece of bacon on it."

Small Son: "Grandpa, when are you going to play football?"

Grandpa: "Football—I don't play football."

Small Son: "But dad said we'd get a new car as soon as you kicked off."

* * *

Stranger: "Did you see a pedestrian pass here?"

Native: "No. I've been working here all afternoon and not a thing has come by 'cep-tin' one solitary man an' he was trampin' on foot."

* * *

Poet: "Did you tell your family I was coming over this evening and read some of my verses?"

Girl: "Yes; and it worked like a charm. They're all going out to the movies."

* * *

Judge: "What's your occupation?"

Prisoner: "Scraping acquaintances."

Judge: Confidence man, eh?"

Prisoner. "No; barber."
